## ANTIOCH C. W. A. WORKMEN ARE CUT TO A 15 HOUR WEEK

**Await Passage of a New CWA Federal Appropriation to Continue Work**

Antioch CWA workmen have been reduced from thirty hours to fifteen hours per week, as a result of the administration's economy program calling for a reduction in the hour quotas in fourteen states. Illinois' share amounts to 200,000 hours, an 11 per cent cut.

Antioch is included in the regulation affecting towns of less than 2,500 population, which calls for a fifty per cent reduction in the working hours per week. In cities of more than 2,500 a cut of only 20 per cent has been ordered, thus establishing a 24-hour week.

According to the original outline, work on all CWA projects is to cease on February 15. Should this plan be strictly adhered to, it will be necessary to remap the remaining work on the village project of reconditioning Harden and Orchard streets, and Parkway avenue, according to Mayor Bartlett. He said that there would be no difficulty in satisfactorily completing the work to be done on Harden and Orchard streets, but that the proposed improvements on Parkway avenue necessarily would be somewhat curtailed. Similar remapping of the high school projects doubtless also will be undertaken. However, such action probably will not be necessary if the administration's new request for a billion dollars more to carry on CWA projects until the first of May and civil conservation corps for the next year is approved by Congress.

The order became effective in Antioch Monday noon, when the fifteen hours for the week beginning Friday, January 19, had been used up.

Although Supervisor William A. Roeling has received no direct notification of a change in working hours to date, it is understood that a cut to a 24-hour week for township projects is contemplated.

## News Moves To New Home

Two thousand four hundred and sixty-eight editions of the Antioch News, published since 1886, most of which have been issued from the frame building at 865 Main street, serve as a background of respectable antecedents to the initial number to be published next week in the News' new and more suitable quarters at 928 Main street. There will be little interruption to business during the change, and those having business to transact are requested to call at the new office after Friday morning.

As an investment it is believed that the old News building stands without an equal in Antioch. Viewed from the standpoint of returns, the property has repaid the original investment more than a dozen times, besides yielding about 15 per cent annual profit to the owner. As an indication that the property has been enhanced with age, a peculiar fact stands forth—that is that during depression years demand was made upon the present tenant to pay an increase of 120 per cent in rent over that paid by his predecessor.

## Keller Club Plans Big Benefit Dance

A benefit dance for injured athletes of Nick Keller's Athletic club will be staged on Wednesday night, Jan. 31, at Dietz Stables, situated at Ivanhoe. It was announced today.

The affair promises to be a gala one, with a number of prominent visiting athletes in attendance, including Bob O'Farrell, new manager of the Cincinnati Reds. Other sport celebrities are expected.

Music for the dance will be furnished by Joe Blidinger's Melody boys.

Joe Gross, second-banker for Keller's baseball club, and Frank Howe, umpire, both of whom were injured last summer, will benefit by the dance. Proceeds will go toward paying hospital and doctor bills.

## Stratton Boosted By Lake Republican Central Committee

**County Group Endorses Ingleside Man for State Treasurer**

**SIMPSON ALSO GETS COMMITTEE NOD**

Hon. William J. Stratton, of Ingleside, former secretary of state, received the unanimous endorsement of the Lake County Republican Committee for the office of state treasurer at a meeting of the G. O. P. group held in Highland Park Friday night.

"Much credit is due to our county and to the state by Stratton's honorable, courteous and efficient administration of the office of secretary of state," the endorsement states.

The committee members pledged their undivided support for the office of state treasurer at the primary election in April.

Simpson Also Endorsed  
Congressman James Simpson, Jr., also received the nod from the committee. The endorsement states that Simpson "has tried earnestly to fulfill his duties as a Congressman." In the past it has not been the practice of the Central Committee to endorse candidates for congress, according to the resolution.

## ANNOUNCE ANNUAL MEET OF ANTIOCH FAIR ASSOCIATION

**Will Elect New Officers Next Wednesday Night**

**SHOWS PROFIT IN '33; STATE AID HELPS**

Despite hard times the Antioch Fair kept out of the "red" and even showed a small profit on the 1933 exhibition. D. H. Minto, president of the Association, said today, announcing the annual meeting of the group to be held at the Antioch High School next Wednesday night, January 31.

The name of the Association may be changed at that time, Minto said, lamenting the fact that the fair is now designated by the somewhat cumbersome title "Antioch-Lake Villa Country Fair and Poultry Association." The Association has outgrown its by-laws, too, Minto said.

The Association has been able to pay all premiums offered since its inception ten years ago. This has been due principally to the fact that state aid money has been available for practically 85 per cent of premiums for the past four years.

Emmet King is vice president and Floyd Horton secretary and treasurer. A treasurer may be elected this year in order to relieve the secretary of too many duties, association officers indicated.

The fair is a community institution and all business and professional men and women, and interested citizens of the community may become members, President Minto said. A special invitation is extended to all to attend the meeting.

## Cedar Lake Cottage Destroyed By Fire

**Antioch Department Called Out Twice Sunday for Grass Fires**

Fire of unknown origin completely destroyed the Sandberg cottage on the northwest side of Cedar Lake Saturday morning, despite the efforts of the Lake Villa Fire department to extinguish the flames.

The cottage which remained unoccupied except during occasional weekends had been opened that day by Sandberg and a friend. According to reports they had been out hunting, and upon looking in the direction of the cottage, noticed that it was in flames.

It is believed that the cottage was insured.

**Checks Grass Fire**  
The Antioch Fire department is (Continued on Page 8)

## BUSINESS OUTLOOK IS ENCOURAGING, ANTIOCH BANKER SAYS

**Reasonable Prosperity in Offing, Anderson Tells Shareholders**

After experiencing the most disastrous year in the history of banking institutions as well as for individuals, signs of prosperity are beginning to echo in the air, and a full co-operation on the part of all citizens will hasten the return of a reasonable prosperity, C. K. Anderson, president of the First National Bank of Antioch, told shareholders in an announcement this week.

In his address to shareholders a year ago, Anderson stated that he did not believe that "prosperity was around the corner," but in his announcement issued Tuesday he is quoted as declaring that better times are beginning to echo in the air.

**Year Sees Many Changes**  
"The year 1933 will go down in history as the most disastrous year for all banking institutions as well as individuals," Anderson said. "There have been many changes in banking and financial circles which had to be taken into consideration."

"The new banking law now guarantees deposits, and we have availed ourselves of this privilege. All of our deposits are protected up to \$2,500, and by July 1, 1934, larger deposits will be practically guaranteed."

"Many indications show that conditions are gradually improving. We reside in a community consisting of dairy farmers, and in the Chain of Lakes Region which has many subdivisions and summer homes and both have had their full share of depression. With high taxes and unemployment, our citizens have suffered financially. Let us all make a special effort to increase our banking business and help bring back reasonable prosperity."

## FUNERAL SERVICES HELD FOR WELL-KNOWN ANTIOCH RESIDENT

**Wm. Hodge Passes Away at Grimm Home After Brief Illness**

Funeral services for William Hodge, 79, for forty-five years a resident and active citizen of Antioch, were held Tuesday afternoon from Strang's Funeral Home, the Rev. L. V. Sitter officiating. Interment was in the Hickory cemetery.

Mr. Hodge leaves many friends and relatives who have followed his recent illness with much anxiety. Death was caused from cerebral thrombosis.

He was born near Richmond, Ill., in McHenry county March 10, 1855, and attended the Solon Mills school. He worked on a farm until he was twenty-one when he entered the barbering profession. He spent several years as a barber at Richmond and at Genoa City, Wis., moving to Antioch about 1889.

He was united in marriage to Miss Emma Webb, of Antioch, May 4, 1890. He has been retired from active work for twenty-four years, and has resided at his home on the Hickory road east of town. He passed away Saturday, at the home of a neighbor, H. H. Grimm, where he and Mrs. Hodge had been staying during his last illness.

Surviving him are his widow, three brothers, George of Denver, Colorado; Rick, of Brainard, Minn.; and Leo, of Solon Mills; a number of cousins, including Chase Stevens of Virginia, Minn.; Glen Stevens, Richmond, Ill.; Mrs. George Frey, McHenry; Mrs. Loretta Molley, Richmond; and her daughter, Mrs. Benlah Harrison, Genoa City, Wis., all of whom were present at the funeral services.

Mr. and Mrs. Andrew Harrison were in Burlington on business Monday.

## Opposes Simpson

RALPH E. CHURCH

Evansston man who has announced his candidacy for the Republican nomination for congress from the 10th district, opposing the incumbent Congressman James Simpson, Jr.

## ANTIOCH H. S. PREPARES FOR TOURNEY TUSSELE

**Pep Meetings and Drills Arouse School Spirit to High Pitch**

### LIBERTYVILLE WINNER

Banishing any trace of pessimism and routing the flax, the students at the Antioch High School this week entered with enthusiasm into the pep meetings held in preparation for the seventh annual Conference Basketball tournament to be held this week.

Coach Cox expressed himself as being very optimistic about the outcome of tonight's game with Warren, Antioch's first tournament opponent, because of the marked improvement exhibited by the boys in their game with Warren Friday night. "If we take Warren tonight," he said, "I see no reason why we shouldn't take Libertyville (or Wauconda) tomorrow night."

Libertyville defeated Barrington in an unexpectedly close game at Wauconda last night, in which Barrington led up to the last few minutes, Libertyville defeated Barrington 33-29 for the first preliminary game in the northern division.

Libertyville will meet Wauconda at 8:30 tonight, and Antioch and Warren stage their game at 7:30 on the Wauconda floor.

At Palatine where the southern division games are being played, Leyden and Arlington play their first game tonight, and Lake Zurich meets last night's winner. Tonight's winners in each division will play off their games tomorrow night, and the winners meet for the championship game at Libertyville Saturday night.

**Present Pep Play**  
A play was presented before the assembly this morning by the members of the Pep Club. Sir Warren entered with his intended bride, Miss Victory, and they stand before the preacher. When the preacher asks if there is any reason why the couple should not wed, Sir Antioch, in the person of Rodney Jacobs, rushes in with his supporters and claims that Sir Warren cannot hope to hold the bride for the entire season. The preacher-referee decides that a contest must be held.

A free throw contest is staged in which Sir Antioch naturally wins, and claims his blushing bride, Miss Victory, played by Miss Virginia Tidmarsh.

Following the play, a pep talk was given by H. H. Reischers.

Coach Cox stated that he probably would begin tonight's game with the same lineup that started against Warren Friday night.

All of the children at the Antioch grade school and rural schools in this vicinity were released from classes to attend the movie "Alice in Wonderland" at the Antioch Theatre yesterday afternoon.

## The News Explains Subscription Matter

Advertisers who have been accustomed to receive free checking copies of the News, ministers and others in public life who have been getting complimentary copies have failed to receive the paper for the last three weeks for the reason that the type set-up of the News' mailing list was destroyed Jan. 2 in order to prevent the lists being stolen while the building and equipment was not in the control of the publisher.

During this time all subscription record files were removed from the office, and as no record was kept of the complimentary subscriptions these names did not appear when the revised list was made. Consequently they have not been getting the paper. The regular and complete list is being restored as rapidly as possible.

## APPROVE FEDERAL GRANT FOR ANTIOCH WATER TOWER

**Village to Receive \$3,000; Work to Start Soon**

Approval of the federal grant of \$3,000 to be used in the construction of Antioch's new \$3,740 water tower was received yesterday by Village Clerk Roy L. Murrie. Receipt of this document marked the final step towards securing the grant from the Federal Emergency Administration of Public Works.

The Grant Agreement has been dated and executed in behalf of the United States Government by the Administrator of Public Works, and a copy of the document returned to Clerk Murrie for his files.

A letter accompanying the agreement states, "In the event that you encounter any difficulty in complying promptly with the provisions of the Grant Agreement, please do not hesitate to get in touch with us."

It is believed, by those who have witnessed many long delays in such matters, that the Antioch grant has come through in record time. This has been due to the fact that Chairman Nelson E. Sibley and members of his committee have kept in close personal touch with the Chicago Federal office, where all papers pertinent to the entire transaction were placed in the hands of the proper persons without delay.

The Chicago Bridge & Iron Works, contractors, report that fabrication of materials for the tower construction have been in progress for the past two weeks and that construction work here will be started at the earliest possible date.

## PAUL CHASE HEADS DEMOCRATIC CLUB

**Ray Sorenson Chosen Vice, and Charles Cermak Secretary**

### SORENSEN ENTERS RACE FOR SHERIFF

Paul Chase, state highway motor cycle policeman, was elected president of the Antioch Democratic Club at a meeting held at Einar Sorenson's Channel Lake resort Friday night. Chase succeeded Delaine Rigby who has headed the club since its organization a year ago.

Ray Sorenson succeeds Charles Wilson as vice president, and Charles Cermak was re-elected secretary and treasurer of the organization.

The meeting is reported to have been a very harmonious affair. During the evening Einar Sorenson announced his candidacy for the Democratic nomination for Lake county sheriff, and petitions for him were signed by members.

After the business session plans were made for the holding of the President's birthday ball here next Wednesday, and members enjoyed a social hour at cards.

## COMPLETE PLANS FOR ROOSEVELT BIRTHDAY BALL

**Democratic Club Sponsors Event in Honor of President**

### HALL AND MUSIC ARE DONATIONS

A committee of members of the Antioch Democratic Club have completed plans for the birthday ball to be held here next Tuesday night in St. Peter's hall in honor of President Franklin D. Roosevelt, according to announcement made today by Paul Chase, newly elected president of the club.

The ball will be held simultaneously with other balls in nearly every city in the United States, designed to raise funds for the Warm Springs, Georgia, foundation which treats victims of infantile paralysis. The entire proceeds are to go to the Georgia Institution where President Roosevelt was once a patient. A portrait of the president will be unveiled during the evening.

St. Peter's hall has been donated for use, and the Jolly Five orchestra have also contributed their services for the occasion.

An admission price of 25 cents per person will be charged.

## SALES CORPORATION INCREASES CAPITAL STOCK TO \$250,000

**Wisconsin Corporation Has Managed and Financed 1,300 Auctions**

The Wisconsin Sales Corporation voted last evening to increase its capital stock to \$250,000.00, and has purchased the livestock interests of L. C. Christensen & Co., of Franksville, also the chattel mortgage interests of Col. L. C. Christensen. They expect to enlarge the field along these lines in connection with their management and financing of auction sales.

This corporation was formed in July, 1924, and has managed and financed more than 1300 farm auction sales during that period. Col. L. C. Christensen, who for the past 50 years has been actively engaged in livestock and chattel mortgage business, intends to devote his time to auctioneering and the real estate loan business.

Both Colonel Christensen and A. J. Steinmueller of Caledonia have agreed to remain with the sales corporation for the present.

The corporation will have its first sale under the combined merger on Jan. 30, when the entire Norlow herd of registered and high grade Holstein cows and heifers will be dispersed at public auction, as the corporation has leased the farm and purchased the personal property of L. C. Christensen & Son, for the purpose of using the barns as regular sales stables.

They are pleased to announce the purchase of this great herd for their opening sale, and are now employing a large force of carpenters to remodel the barn, using the first floor for cattle and the second for horses.

Directors of the corporation are E. H. Swantz, Union Grove, A. O. Haerel, Frankville, John L. Anderson, Raymond, A. J. Steinmueller, Caledonia, John Kessinger, Milwaukee, E. A. Ardmore, Sheboygan.

Mr. and Mrs. Charles Alvers entertained Mr. and Mrs. Charles Kelly of Lake Villa Sunday.

Miss Doris Mason, teacher at Emerson school, will entertain as a week-end guest, Wilbur Noell, of Grinnell, Iowa.

Mr. and Mrs. George Melick and children of Berwyn spent Sunday with Mr. and Mrs. James Fisher.

TREVOR SOCIAL  
CENTER HALL ASS'N  
ELECTS OFFICERSSoo Line Agent Is Transferred to Marshfield;  
Tobey Is New Agent

Seen Social Center Hall association held its annual business meeting at 7 o'clock on Monday evening. Seventeen votes were cast. The following officers were elected: President, Mrs. Sheen; vice president, Dick Bran; secretary, Daisy Mickle; treasurer, Annie Smith; director, Mrs. Louise Derlor.

Mr. Stevo of Fond du Lac, who has served as agent at the Soo line depot for the past year, has been transferred to Marshfield. Mr. Tobey has taken his place here.

Our Community Club met at the home of Mrs. Charles Oetting on Wednesday evening with a good attendance. After the business session cards and luncheon were enjoyed. Mrs. Oetting, Mrs. Carroll and Mrs. Ernie served a nice lunch.

The auction sale of horses and cows at the stock yards on Friday afternoon was one of the largest ever held.

The Willing Worker Society met with Mrs. Clara Horton, Antioch, on Thursday afternoon. Mrs. William Evans will be hostess to the society in two weeks.

The Messrs. Hiram Patrick and William Krampen, Burlington, called on the former's brother, George Patrick, on Wednesday.

Willis Sheen, Harold Mickle and Milton Patrick attended a Corn and Hog adjustment meeting at Brass Hall corners on Saturday evening.

The 500 club of three tables were entertained at the Mrs. Gus Lubke home near Bristol. Elva Mark will entertain the ladies this Wednesday afternoon.

Mr. and Mrs. D. A. McKay and niece, Miss Ruth Thornton, were Chicago visitors Thursday.

Mrs. Emory Schonscheck and daughter, Gloria, Lake Villa, spent Thursday afternoon with Mrs. Fred Forster.

Alfred Dahl was a business caller in Racine Friday.

Mrs. Fred Forster was a Burlington caller Friday afternoon.

Among those who attended the card party at the Catholic church in Antioch Thursday evening were the Mesdames John Schmidt, George Carroll, John Geyer, Charles Oetting, Jessie Allen and Mr. and Mrs. Richard Moran.

L. H. Mickle and Mr. Shelhamer were Waukegan visitors Saturday.

Mr. and Mrs. Albert Mitz, Chicago, visited the former's father, John Mitz, Sr., and brother, Ed Mitz and wife, John Mitz, Jr., Walter Mitz and sister, Mrs. Peto Schumacher and family on Sunday.

Miss Adeline Oetting, River Forest, spent the week-end with the home folks.

Miss Daisy Mickle and Mrs. Harold Mickle attended their bridge club at Twin Lakes on Thursday afternoon. Miss Mickle will entertain the club in two weeks.

The blitzard promised us a week

## AMUSEMENTS

## Eddie Cantor Comes to the Genesee

Eddie Cantor in "Roman Scandals" is a classic fable by George S. Kaufman and Robert Sherwood opens an engagement at the Genesee Theatre Sunday, with Ruth Etting, Gloria Stuart and David Manners. Edward Arnold and Vera Teasdale involved in his adventures among the ancients.

A whimsical lad, always day-dreaming of life in the days of the Caesars, Eddie suddenly finds himself a spokesman for the poor and oppressed before the cruel and mighty Emperor Valerious. The affairs of

Eddie Cantor in "Roman Scandals"

state and the course of true love both get a helping hand from Eddie, but it isn't until he attempts an escape from Rome to the sea, with the Emperor's charioteers thundering thru the dust in pursuit, that the classic takes on the form of real flesh and blood to him.

As a screen play, "Roman Scandals" demands more of Cantor than anything he has yet attempted in talking pictures. It is role is a human believable one; the story alternates between the simplest human comedy and the wildest nightmare of fantasy.

A hundred of the world's most beautiful girls, this year's crop of Hollywood beauties, keep time with their dancing feet to Eddie's new ditties.

ago arrived on Sunday with a high wind and below zero weather.

Gail Platts, Twin Lakes, who is attending school in Chicago, spent Saturday afternoon at the George Patrick home.

Mrs. Byron Patrick, Mrs. Arthur Hartnell and Mrs. Eugene Hartnell, Salem, called on Mrs. George Patrick Friday afternoon.

Mr. and Mrs. Henry Antz, Chicago, were guests of Mr. and Mrs. Harold Mickle Sunday.

Henry Lubke spent Sunday with his daughter, Mrs. Charles Barber and family, Silver Lake.

Bridge, 600, luncheon and a lunch were enjoyed at Social Center hall on Saturday evening.

An aunt and uncle of Jane Ritchie, Chicago, visited her at the Charles Oetting home one day last week.

Mr. and Mrs. James Lamb, daughter, Betty Jane, Mrs. Samuel Mathews and daughter, Kathryn, Kenosha, were Wednesday evening callers at Joseph Smith home.

Fred Forster transacted business in Kenosha Wednesday.

Diet and Brushing  
Are Tooth Beautifiers

"The regular inclusion of milk in the daily diet is one of the most beneficial habits," says Irene Bentley, Fox featured player.

MOST of us have been raised on the necessity for brushing our teeth at least twice a day, but did you know that, for healthy, attractive teeth you should also add to that routine a glass of milk three times a day or oftener? In no other food but milk can you secure adequate amounts of the best form of calcium, that mineral most essential for tooth building. Milk, often called the tooth food, also supplies generous quantities of the phosphorus that works with calcium in tooth and bone building.

Other foods that play an important part in tooth beauty are fruits, especially the citric fruits such as oranges, lemons and grapefruit; butter, vegetable, eggs and, in winter, a good source of Vitamin D such as cod liver oil in some form.

A word about how you brush your teeth—several minutes should be spent in this process each time it is performed, taking care that the brush reaches all the exposed surfaces of the teeth and also massages the gums. The use of dental floss occasionally is advisable.

This regular diet-brushing regime, supplemented by semi-annual dental examinations should keep your teeth healthy and beautiful—if started early enough of course. And even if you have "let your teeth go" for a long period before starting to take good care of them, diet and brushing will at

least help to keep them from decaying further.

You Can't Afford to Postpone  
Tooth Care.

This very fact that teeth cannot be regained, is the reason why you can not afford to neglect their care at any period of life. You can sometimes stave off hair growth, even after it has started to fall out; your complexion can be beautified by facials and diet even if it has become wrinkled and flabby; a neglected figure can be "re-modeled" by diet, exercise, and massage, but once you have lost a tooth it's gone forever.

Dread of a toothache and desire for firm, white teeth are not the only emotions which should lead you to treat your teeth well. There are at least three other excellent reasons. One of them is that an unhealthy tooth may cause infections in other parts of the body affecting your general health. Another is that an unhealthy condition of the mouth may cause that much-advertised horror—halitosis; and a third is that early tooth care will save you money, for certainly it is cheaper to clean your teeth with an inexpensive brush and to feed them the proper foods than it is to pay for expensive dental treatment later on. So begin today to take care of your teeth by feeding them, brushing them, and checking with your dentist twice a year.

READY  
AT ALL TIMES

We are always ready to serve you in the moment of extremity. We are always unobtrusive and dignified in taking care of your sad affairs. Private ambulance always ready.

## ANTIOCH C. W. A. WORKMEN ARE CUT TO A 15 HOUR WEEK

**Await Passage of a New  
CWA Federal Appropria-  
tion to Continue Work**

Antioch CWA workmen have been reduced from thirty hours to fifteen hours per week, as a result of the administration's economy program calling for a reduction in the hour quotas in fourteen states. Illinois slash amounts to 200,000 hours, an 11 per cent cut.

Antioch is included in the regulation affecting towns of less than 2,500 population, which calls for a fifty per cent reduction in the working hours per week. In cities of more than 2,500 a cut of only 20 per cent has been ordered, thus establishing a 24-hour week.

According to the original outline, work on all CWA projects is to cease on February 15. Should this plan be strictly adhered to, it will be necessary to re-map the remaining work on the village project of reconditioning Harden and Orchard streets, and Parkway avenue, according to Mayor Bartlett. He said that there would be no difficulty in satisfactorily completing the work to be done on Harden and Orchard streets, but that the proposed improvements on Parkway avenue necessarily would be somewhat curtailed. Similar romping of the high school projects doubtless also will be undertaken. However, such action probably will not be necessary if the administration's new request for a billion dollars more to carry on CWA projects until the first of May and civil conservation corps for the next year is approved by Congress.

The order became effective in Antioch Monday noon, when the fifteen hours for the week beginning Friday, January 10, had been used up.

Although Supervisor William A. Roeling has received no direct notification of a change in working hours to date, it is understood that a cut to a 24-hour week for township projects is contemplated.

## News Moves To New Home

Two thousand four hundred and sixty-eight editions of the Antioch News, published since 1836, most of which have been issued from the frame building at 885 Main street, have served as a background of respectable antecedents to the initial number to be published next week in the News' new and more suitable quarters at 928 Main street. There will be little interruption to business during the change, and those having business to transact are requested to call at the new office after Friday morning.

As an investment it is believed that the old News building stands without an equal in Antioch. Viewed from the standpoint of returns, the property has repaid the original investment more than a dozen times, besides yielding about 15 per cent annual profit to the owner. As an indication that the property has been enhanced with age, a peculiar fact stands forth—that is that during depression years demand was made upon the present tenant to pay an increase of 120 per cent in rent over that paid by his predecessor.

## Keller Club Plans Big Benefit Dance

A benefit dance for injured athletes of Nick Keller's Athletic club will be staged on Wednesday night, Jan. 31, at Dietz Stables, situated at Ivanhoe, it was announced today.

The affair promises to be a gala one with a number of prominent visiting athletes in attendance, including Bob O'Farrell, new manager of the Cincinnati Reds. Other sport celebrities are expected.

Music for the dance will be furnished by Joe Bidinger's Melody

Gross, second-auger for Keller's baseball club, and Frank Howe, umpire, both of whom were injured summer, will benefit by the dance. Proceeds will go toward paying hospital and doctor bills.

## Stratton Boosted By Lake Republican Central Committee

**County Group Endorses In-  
gleside Man for State  
Treasurer**

**SIMPSON ALSO GETS  
COMMITTEE NOD**

Hon. William J. Stratton, of Logansport, former secretary of state, received the unanimous endorsement of the Lake County Republican Committee for the office of state treasurer at a meeting of the G. O. P. group held in Highland Park Friday night.

Much credit is due to our county and to the state by Stratton's honorable, courteous and efficient administration of the office of secretary of state, the endorsement states.

The committee members pledged their undivided support for the office of state treasurer at the primary election in April.

Simpson Also Endorsed  
Congressman James Simpson, Jr., also received the nod from the committee. The endorsement states that Simpson "has tried earnestly to fulfill his duties as a Congressman." In the past it has not been the practice of the Central Committee to endorse candidates for congress, according to the resolution.

## ANNOUNCE ANNUAL MEET OF ANTIOCH FAIR ASSOCIATION

**Will Elect New Officers  
Next Wednesday  
Night**

**SHOWS PROFIT IN '33;  
STATE AID HELPS**

Despite hard times the Antioch Fair kept out of the "red" and even showed a small profit on the 1933 exhibition. D. H. Minto, president of the Association said today, announcing the annual meeting of the group to be held at the Antioch High School next Wednesday night, January 31. The name of the Association may be changed at that time, Minto said, lamenting the fact that the fair is now designated by the somewhat cumbersome title "Antioch-Lake Villa Country Fair and Poultry Association." The Association has outgrown its by-laws, too, Minto said.

The Association has been able to pay all premiums offered since its inception ten years ago. This has been due principally to the fact that state aid money has been available for practically 85 per cent of premiums for the past four years.

Emmet King is vice president and Floyd Horton secretary and treasurer. A treasurer may be elected this year, in order to relieve the secretary of too many duties, association officers indicated.

The fair is a community institution and all business and professional men and women, and interested citizens of the community may become members, President Minto said. A special invitation is extended to all to attend the meeting.

## Cedar Lake Cottage Destroyed By Fire

**Antioch Department Called  
Out Twice Sunday for  
Grass Fires**

Fire of unknown origin completely destroyed the Sandberg cottage on the northwest side of Cedar Lake Saturday morning, despite the efforts of the Lake Villa Fire department to extinguish the flames.

The cottage which remained unoccupied except during occasional week-ends had been opened that day by Sandberg and a friend. According to reports, they had been out hunting, and upon looking in the direction of the cottage, noticed that it was in flames.

It is believed that the cottage was insured.

## BUSINESS OUTLOOK IS ENCOURAGING, ANTIOCH BANKER SAYS

**Reasonable Prosperity in  
Offing, Anderson Tells  
Shareholders**

After experiencing the most disastrous year in the history of banking institutions as well as for individuals, signs of prosperity are beginning to echo in the air, and a full co-operation on the part of all citizens will hasten the return of a reasonable prosperity, C. K. Anderson, president of the First National Bank of Antioch, told shareholders in an announcement this week.

In his address to shareholders a year ago, Anderson stated that he did not believe that "prosperity was around the corner," but in his announcement issued Tuesday he is quoted as declaring that better times are beginning to echo in the air.

Year Sees Many Changes  
"The year 1933 will go down in history as the most disastrous year for all banking institutions as well as individuals," Anderson said. "There have been many changes in banking and financial circles which had to be taken into consideration."

"The new banking law now guarantees deposits, and we have availed ourselves of this privilege. All of our deposits are protected up to \$2,500, and by July 1, 1934, larger deposits will be practically guaranteed."

"Many indications show that conditions are gradually improving. We reside in a community consisting of dairy farmers, and in the Chain of Lakes Region which has many subdivisions and summer homes and both have had their full share of depression. With high taxes and unemployment, our citizens have suffered financially. Let us all make a special effort to increase our banking business and help bring back reasonable prosperity."

## FUNERAL SERVICES HELD FOR WELL-KNOWN ANTIOCH RESIDENT

**Wm. Hodge Passes Away  
at Grimm Home After  
Brief Illness**

Funeral services for William Hodge, 79, for forty-five years a resident and active citizen of Antioch, were held Tuesday afternoon from Strang's Funeral Home, the Rev. L. V. Sitter officiating. Interment was in the Hickory cemetery.

Mr. Hodge leaves many friends and relatives who have followed his recent illness with much anxiety. Death was caused from cerebral thrombosis.

He was born near Richmond, Ill., in McHenry county March 10, 1855, and attended the Solon Mills school. He worked on a farm until he was twenty-one when he entered the barbering profession. He spent several years as a barber at Richmond and at Geneva City, Wis., moving to Antioch about 1889.

He was united in marriage to Miss Emma Webb, of Antioch, May 4, 1890. He has been retired from active work for twenty-four years, and has resided at his home on the Hickory road east of town. He passed away Saturday, at the home of a neighbor, H. H. Grimm, where he and Mrs. Hodge had been staying during his last illness.

Surviving him are his widow, three brothers, George of Denver, Colorado; Rick, of Brainerd, Minn.; and Lee, of Solon Mills; a number of cousins, including Chase Stevens of Virginia, Minn.; Glen Stevens of Missouri, Ill.; Mrs. George Frey, McHenry; Mrs. Lanette Moley, Richmond; and her daughter Mrs. Reubel Harrison, Geneva City, Wis., all of whom were present at the funeral services.

Mr. and Mrs. Andrew Harrison were in Burlington on business Monday.

## ANTIOCH H. S. PREPARES FOR TOURNEY TUSSE

**Pep Meetings and Drills  
Arouse School Spirit  
to High Pitch**

### LIBERTYVILLE WINNER

Banishing any trace of pessimism and routing the jinx, the students at the Antioch High School this week entered with enthusiasm into the pep meetings held in preparation for the seventh annual Conference Basketball tournament to be held this week.

Coach Cox expressed himself as being very optimistic about the outcome of tonight's game with Warren, Antioch's first tournament opponent, because of the marked improvement exhibited by the boys in their game with Warren Friday night. "If we take Warren tonight," he said, "I see no reason why we shouldn't take Libertyville (or Wauconda) tomorrow night."

Libertyville Defeats Barrington  
In an unexpectedly close game at Wauconda last night, in which Barrington led up to the last few minutes, Libertyville defeated Barrington 32-29 for the first preliminary game in the northern division.

Libertyville will meet Wauconda at 8:30 tonight, and Antioch and Warren stage their game at 7:30 on the Wauconda floor.

At Palatine where the southern division games are being played, Leyden and Arlington play their first game tonight, and Lake Zurich meets last night's winner. Tonight's winners in each division will play off their games tomorrow night, and the winners meet for the championship game at Libertyville Saturday night.

### Present Pep Play

A play was presented before the assembly this morning by the members of the Pep Club. Sir Warren entered with his intended bride, Miss Victory, and they stand before the preacher. When the preacher asks if there is any reason why the couple should not wed, Sir Antioch, in the person of Rodney Jacobs, rushes in with his supporters and claims that Sir Warren cannot hope to hold the bride for the entire season. The preacher-referee decides that a contest must be held.

A free throw contest is staged in which Sir Antioch naturally wins, and claims his blushing bride, Miss Victory, played by Miss Virginia Tidmarsh.

Following the play, a pep talk was given by H. H. Reichers.

Coach Cox stated that he probably would begin tonight's game with the same lineup that started against Warren Friday night.

All of the children at the Antioch grade school and rural schools in this vicinity were released from classes to attend the movie "Alice in Wonderland" at the Antioch Theatre yesterday afternoon.

## The News Explains Subscription Matter

Advertisers who have been accustomed to receive free checking copies of the News, ministers and others in public life who have been getting complimentary copies have failed to receive the paper for the last three weeks for the reason that the type set-up of the News' mailing list was destroyed Jan. 2 in order to prevent the list being stolen while the building and equipment was not in the control of the publisher.

During this time all subscription record files were removed from the office, and as no record was kept of the complimentary subscriptions these names did not appear when the revised list was made. Consequently they have not been getting the paper. The regular and complete list is being restored as rapidly as possible.

## APPROVE FEDERAL GRANT FOR ANTIOCH WATER TOWER

**Village to Receive \$3,000;  
Work to Start  
Soon**

Approval of the federal grant of \$3,000 to be used in the construction of Antioch's new \$8,740 water tower was received yesterday by Village Clerk Roy L. Murrie. Receipt of this document marked the final step towards securing the grant from the Federal Emergency Administration of Public Works.

The Grant Agreement has been dated and executed in behalf of the United States Government by the Administrator of Public Works, and a copy of the document returned to Clerk Murrie for his files.

A letter accompanying the agreement states, "In the event that you encounter any difficulty in complying promptly with the provisions of the Grant Agreement, please do not hesitate to get in touch with us."

It is believed by those who have witnessed many long delays in such matters, that the Antioch grant has come through in record time. This has been due to the fact that Chairman Nason E. Sibley and members of his committee have kept in close personal touch with the Chicago Federal office, where all papers pertinent to the entire transaction were placed in the hands of the proper persons without delay.

The Chicago Bridge & Iron Works, contractors, report that fabrication of materials for the tower construction have been in progress for the past two weeks and that construction work here will be started at the earliest possible date.

## PAUL CHASE HEADS DEMOCRATIC CLUB

**Ray Sorenson Chosen Vice,  
and Charles Cermak  
Secretary**

### SORENSEN ENTERS RACE FOR SHERIFF

Paul Chase, state highway motor-cyclist, was elected president of the Antioch Democratic Club at a meeting held at Einar Sorenson's Channel Lake resort Friday night. Chase succeeded Delaine Rigby who has headed the club since its organization a year ago.

Ray Sorenson succeeds Charles Wilson as vice president, and Charles Cermak was re-elected secretary and treasurer of the organization.

The meeting is reported to have been a very harmonious affair. During the evening Einar Sorenson announced his candidacy for the Democratic nomination for Lake county sheriff, and petitions for him were signed by members.

After the business session plans were made for the holding of the President's birthday ball here next Wednesday, and members enjoyed a social hour at cards.

## COMPLETE PLANS FOR ROOSEVELT BIRTHDAY BALL

**Democratic Club Sponsors  
Event in Honor of  
President**

### HALL AND MUSIC ARE DONATIONS

A committee of members of the Antioch Democratic Club have completed plans for the birthday ball to be held here next Tuesday night in St. Peter's hall in honor of President Franklin D. Roosevelt, according to announcement made today by Paul Chase, newly elected president of the club.

The ball will be held simultaneously with other balls in nearly every city in the United States, designed to raise funds for the Warm Springs, Georgia, foundation which treats victims of infantile paralysis. The entire proceeds are to go to the Georgia institution where President Roosevelt was once a patient. A portrait of the president will be unveiled during the evening.

St. Peter's hall has been donated for use, and the Jolly Five orchestra have also contributed their services for the occasion.

An admission price of 25 cents per person will be charged.

## SALES CORPORATION INCREASES CAPITAL STOCK TO \$250,000

**Wisconsin Corporation Has  
Managed and Financed  
1,300 Auctions**

The Wisconsin Sales Corporation voted last evening to increase its capital stock to \$250,000.00, and has purchased the livestock interests of L. C. Christensen & Co., of Franksville, also the chattel mortgage interests of Col. L. C. Christensen. They expect to enlarge the field along these lines in connection with their management and financing of another sales.

This corporation was formed in July, 1924, and has managed and financed more than 1300 farm auction sales during that period. Col. L. C. Christensen, who for the past 30 years has been actively engaged in livestock and chattel mortgage business, intends to devote his time to auctioneering and the real estate loan business.

Both Colonel Christensen and A. J. Steinhilber, of Caledonia, have agreed to remain with the sales corporation for the present.

The corporation will have its first sale under the combined merger on Jan. 30, when the entire Norlaw herd of registered and high grade Holstein cows and heifers will be dispersed at public auction, as the corporation has leased the farm and purchased the personal property of L. C. Christensen & Son, for the purpose of using the barn as regular sales stables.

They are pleased to announce the purchase of this great herd for their opening sale, and are now employing a large force of carpenters to remodel the barn, using the first floor for cattle and the second for horses.

Directors of the corporation are E. H. Swantz, Union Grove, A. O. Haerle, Frankville, John L. Anderson, Raymond, A. J. Steinhilber, Caledonia, John Kessinger, Milwaukee, E. A. Ardmore, Sheboygan.

Mr. and Mrs. Charles Aivers entertained Mr. and Mrs. Charles Kelly of Lake Villa Sunday.

Miss Doris Mason, teacher at Emmaus school, will entertain as a week-end guest, Wilbur Noel, of Grinnell, Iowa.

Mr. and Mrs. George Malek and children of Berwyn spent Sunday with Mr. and Mrs. James Baber.

## FIRE LOSSES ON FARMS AND SUMMER HOMES

The whole-hearted co-operation on the part of the rural residents of Antioch township in the move to form a fire district outside the limits of Antioch, brings to mind the fact that petitioners for the district have recognized that fire losses on farms are on the increase. Fire Chief James Stearns reports that he encountered practically no opposition in securing the requisite number of signatures to the petition which is the first step in making the new fire district a reality.

Confronted by a steadily growing annual farm fire loss, American agriculturists, who comprise 24 per cent of the country's population, should remind themselves that the very word "farm" means "firm" or "secure," and should set about making their property exactly that—as regards fire dangers.

From Wisconsin comes the answer to the question, "Why are fire losses increasing on farms?" A survey revealed that losses in rural areas of the state increased from \$3,500,000 in 1929 to \$4,900,000 in 1932. These sections lacked proper fire protection. Fire prevention activities were almost unknown. On the other hand, in towns and cities maintaining good fire department facilities and engaging in fire prevention work, losses were reduced from \$6,200,000 to \$4,900,000 during the same period.

In Maine, fire losses to farm property, including livestock, growing crops and hay and grain in stacks in the field, have increased 50 per cent in the last five years.

There are a few simple steps in the interest of prevention that farmers can take without difficulty. They can dispose of all paper and rubbish—a spark and span building seldom burns. They can clean and repair chimneys and stoves. They can exercise common sense in the use of matches, smoking materials, kerosene and gasoline. They can prevent spontaneous ignition to oily rags, hay and grain. They can have their buildings and fences rodged as protection against lightning. They can keep simple equipment on hand which is adequate to quench or subdue most fires in their early stages. And, if they want additional information on the subject of fire safety, they can obtain it from the

National Board of Fire Underwriters, 85 John St., New York City.

Farmers who are striving to work their way back to prosperity suffer a dire calamity when fire destroys their property. They should, accordingly, give special attention to the reduction of fire hazards and the adoption of protective methods.

## FINANCIAL INDEPENDENCE WEEK

Late in March there will be an event of importance to every citizen. For the space of a week, an aggressive, planned campaign will be carried on to acquaint him with how to protect his family against potential poverty, how to financially safeguard his old age, how to educate his children, how to provide for himself a safe and certain monthly income for life, how to build an estate or rebuild a depleted one, and so on.

The event will be Financial Independence Week. Its motto will be that the cornerstone of man's financial structure is life insurance—and that life insurance, so far as the great mass of persons is concerned, is the most sure and sound of all ways to attain economic independence.

Speakers will elaborate these themes. They will be heard over the radio. There will be articles and local advertisements in newspapers. Periodicals will have special features. Public officials, industrialists and others, in addition to life insurance workers, will co-operate to bring the message of the week before the greatest possible number of people. Results will be of great and lasting benefit. We will come closer to the ideal of a nation free from poverty, free from want and economic disaster, free from all the tragic consequences of improvidence and waste and poor investments.

## STILLING FEARS OF INFLATION

A very important phase of the President's decision to monetize and stabilize silver, is that it has done much to still the fear that we would have inflation by the printing press route. It will bring more money into circulation, if the economists are right, will provide funds for foreign and domestic commerce—and the money will have something of established and definite value behind it.

Thus, the silver proclamation will serve two ends—it will restore the confidence of a large part of the public in the United States monetary policies, and it will help resurrect one of the greatest and most essential of our industries. Results of the latter are being felt now—in jobs, in buying power, in hopes for the future. And, if the expected happens and other major nations adopt similar measures, a long step toward general world recovery will have been taken.

## TREVOR TEACHERS ATTEND INSTITUTE

### West Salem Couple Remodel General Store for Boarding House

The teachers, Miss Doris Kruckman and Miss Carlotta Foulke, attended the teachers' meeting at Union Grove on Saturday.

Mr. and Mrs. Watt of West Salem have rented the building formerly known as the Trevor General Store and will remodel it into a first class boarding house which is much needed in this town.

The following pupils were neither absent nor tardy during the first half of the school year: Eleanor and Raymond Foster, Lewis Popper, Jr., and Cora Mizzon.

Through respect to Mrs. Belcher and Mrs. Runyard, Our Community club meeting was postponed from Wednesday evening to the following Wednesday evening.

N. J. Crowley and son, Clarence, of Antioch were Trevor callers Thursday.

Mrs. Byron Patrick, Salem, called on the Patrick families Thursday.

James Runyard, Wilmet, spent Friday at the Mrs. Nellie Runyard home.

Dr. Deering, Antioch, made a professional call in Trevor Friday.

Illram Patrick, Burlington, visited his sisters and brother's family Friday and in the afternoon accompanied Milton Patrick to Antioch to call on N. J. Crowley.

Mrs. Willis Hosen and Miss Daisy Mickle were Kenosha visitors Friday.

The John Mutz children make daily trips to Burlington to visit their father, where he is receiving medical treatment.

A number from Trevor attended the funeral services for Leslie Belcher at the Strang funeral home in Antioch on Friday afternoon. Mrs. Belcher has the sympathy of the entire community.

Sundry callers at the George Patrick home were: Mr. and Mrs. George Faulkner, Wilmet, and Mr. and Mrs. Byron Patrick and sons, Salem.

Mrs. Nellie Runyard is constantly in the bedside of her son, Wilson, in the Kenosha hospital, who was injured in an auto accident. We are pleased to report that he is slowly showing signs of gaining.

Mr. and Mrs. Fred Forster, Mrs. Joseph Smith and Mrs. Lewis Popper attended the funeral services for Grandpa Nordmeyer at the Zion Lutheran church, Hinsdale, Ill., on Tuesday.

David Minkel, Waukegan, was a business caller in Trevor Wednesday.

Mrs. Charles Oetting entertained the Trevor 500 club at her home on Wednesday afternoon. Mrs. August Lubbekman will entertain the ladies this week Wednesday.

Dr. Forge, veterinarian, from Burlington, was a business caller in Trevor Tuesday.

## VOTERS! Try A Jackass Once!

Remember 1930 Results for Sherburne?

9,000 Voters Stayed at Home! Result: Democrat Yager, 13,000; Republican Tiffany, 15,000.

Haven't you had enough? Check the last 16 years of that office and then call for mustard!

Will the Bosses call from Northern Michigan and tell you how to mark your ballot again?

True, the past sheriffs have kept right with their bosses' party. Voters, stop and think! Haven't you been misled?

H. E. YAGER For SHERIFF

A regular Democrat, 32 years in Lake county and head is still up. Doesn't have to be drafted by strangers!

## Girl Scout News

The triangular bandage contest was played at the Monday meeting with Bluebird and White Deer Patrols winning the points. The first and last contest was played twice, with Lion Patrol winning both points.

Gertrude Horton was enlisted as a Girl Scout at the meeting.

Troop Scribe, Ruth Cunningham.

son, of Kenosha, spent Sunday with Mr. and Mrs. Walter Isaac.

Grace Carey was a guest of Mr. and Mrs. J. A. Nolan Thursday and Friday at Oak Park. Erminie Carey returned home with her.

Mr. and Mrs. C. Behnke and Mr. and Mrs. L. Sturgeon from Chicago were guests Sunday of Mr. and Mrs. Charles Olson.

Mr. and Mrs. Frank Kruckman, Mr. and Mrs. Clifford Pacey, Mrs. Eugene McDougall and daughter were among the visitors of Eugene McDougall at the Victory Memorial hospital in Waukegan, Sunday.

Mr. and Mrs. Ray Burton spent Sunday at Genoa City with Mr. and Mrs. Earle Taylor.

Lloyd Voss and Hadley Martin were in Chicago on Sunday.

Mr. and Mrs. Tom Madden and Mrs. Mollie Harms, Spring Grove, spent a day last week with Mr. and Mrs. William Volbrecht.

Mrs. D. R. Kimball, Mrs. Lynne Shorman and daughter, Shirley, visited Saturday at Genoa City with Mrs. W. H. Kimball.

Mr. and Mrs. Paul Voss were in Kenosha for the day, Tuesday.

Mrs. John Kerkoff, of Silver Lake and Mrs. Harry Powles of Union Grove spent Thursday with Mrs. Lynne Sherman.

The Oak Knoll school played dart ball against the Twin Lakes school at Twin Lakes Tuesday night.

The M. E. Ladies Aid met at the church dining hall Thursday afternoon. Friday night there was a M. E. church party for members at the hall.

Gertrude, Ruth and Agnes Nett were week-end guests of their aunt and uncle, Mr. and Mrs. A. H. Tabbe, at Algonquin.

Nearly sixty turned out for the weekly practice of the Wilmot community band Tuesday evening under the direction of Tom Pope from Kenosha.

Charles Lake returned home Saturday from a stay of several months at Nashville, Tennessee.

The dance and card party sponsored by the Fred Semrau Post No. 361 American Legion, at Bordin's resort, Twin Lakes, Friday evening, was well attended and a success to every way.

SCHOOL  
NOTES**"In School Days"**HIGH  
SCHOOL  
NOTES**Old Rival, Warren,  
Defeats Antioch High****Second Team Loses by One  
Point in Closely-Con-  
tested Game**

The Antioch township high school basketball teams suffered defeat from their old rival, Warren, on the Warren floor Friday night. The first team lost 19-11, and the second team by one point, 10-9. This is the second time that the lightweights have come within one point of victory this season.

The two first teams were more closely matched than the score indicates, observers said. Warren's score was boosted by two last-minute field goals, one being made in the last three seconds of the play in the first half, and the other in the last five seconds of the game. The Warren lads proved to be better on their free shots than Antioch.

**Grade School Honor  
Roll Is Announced**

Those meriting mention because of superior scholarship during the third six weeks' period of classes at the Antioch Grade School are listed on the honor roll as follows:

**Fourth Grade**

Lucille Sherman, Frank Petty, Richard Cahill, Dortha Drury, Marie Bright, Billy Aronson.

**Fifth Grade**

Roberta Selter, Irene Pachay, Doris Klass, Florence Peterson, Dorothy Miller, Quentin Guenther.

**Sixth Grade**

Lucille Waters, Betty Hanke, Mildred Van Patton, Helen Lubkeman, Raymond Baethke, Leona Hoesletter.

**Seventh Grade**

Roger Brogan, Florence Verkest, Vonnle Jensen, Katherine Smith, Jean Sherman, Carolyn Smith.

**Eighth Grade**

Florence Hackett, George Hawkins, Mary Lou Sibley, Bernice Sherman, Gladys Melka, Charles Miller.

**GRAYSLAKE WINS  
GRADE SCHOOL CONF.  
FREE THROW CONTEST**

Grayslake Grade School was easily the winner in the free throw contest held at the Antioch Township High School last night for the five schools in the Northern Lake County Grade School Conference. Grayslake boys made 62 out of 125 possible baskets, and Gurnee, the second highest made 53. Lake Villa followed closely with 52 baskets, while Antioch and Fox Lake were tied for fourth place with 41 baskets.

High individuals were Smith and Krumery from Grayslake, each of whom made fifteen shots in 25 attempts. Charles Miller, Antioch, was also high with thirteen to his credit. Last year Miller led with 19 out of 25 shots.

**To Play Fox Lake**

The Antioch boys will play Fox Lake here next Wednesday night for the next conference game of the season.

**HIGH SCHOOL LAD  
TELLS STORY OF  
HIS CHICK PROJECT**

(Note: William Craft, sophomore in the Department of Vocational Agriculture of the Antioch Township High School, tells in this article how he raised 193 chickens from 205 baby chicks.)

**Maturing 193 Birds from 205 Chicks  
(By William Craft)**

When I entered High School in the fall of 1932, I enrolled in the Vocational Agriculture course and selected White Plymouth Rock poultry for my home project. We have an excellent home market for poultry and eggs and the White Rocks seem to have the preference as a dressed product.

I purchased 200 baby chicks from a hatchery that specializes in selling chicks from blood tested stock. I decided that in order to have a successful project I would begin with strong healthy chicks. There is not much wisdom in giving poor stock excellent care.

205 chicks arrived on April 23rd and I placed them under a coal brooder that had been going for several days. The brooder house had previously been cleaned and disinfected.

These chicks were given a starting mash from the very beginning together with scratch grain. Both feeds were a commercial mixture with which we had excellent results in the past.

During the first four weeks I lost only six chicks. During the entire project, which terminated on November 1st, I lost only 12 chicks altogether. I now have 96 strong pullets with which I am continuing my next year's project. There were 97 cockerels. All of these but eleven of the best were sold as dressed poultry.

When a month old, the chicks were allowed to run outside on clean ground where no other chickens have been for some time.

On the 9th of July I sold my first broilers. They averaged 2 lbs. each.

On the 29th of August I showed a cockerel, pullet, and a pen at the Lake County Junior Show and won a first, second, and third respectively.

Later, in October, I showed fifteen birds at the Antioch County Fair and won a first, three seconds, one fourth, a fifth, and a sixth ribbon.

My last showing was at The Sectional Future Farmer Fair where each of my three entries won red ribbons. In all my premium money amounted to \$22.50. As my 200 chicks only cost me \$16.40, the premiums more than paid for them.

I found the first egg on September 23rd, just five months from the time I received the chicks. In October I got 134 eggs. I ended my project on November 1st. My financial summary up to that time follows:

Value of Production:  
Amount sold and used.....\$ 34.53  
Increase in inventory.....30.82  
Premiums.....22.50  
Total.....\$137.90

Cost of Production:  
Total labor cost.....\$ 14.40  
Total feed cost.....28.19  
Cost of Chicks.....16.40  
Other costs.....4.29

Total.....\$ 63.28  
Total Profit.....\$ 74.62  
Paid Self for labor.....14.40  
Total Income.....\$ 89.02

This project has been very profitable to me as well as educational. Any time in the future, the problem of poultry production will never be so complicated to me. I have learned the value of having healthy foundation stock, practicing strict sanitation, and careful feeding.

A practice game will be played at 8 o'clock Saturday afternoon when C. V. Baker of the General Pershing School at Berwyn, Ill., brings his boys to Antioch for the trip and game.

The Antioch boys met defeat from Grayslake in the conference game played here last night, the first team losing 24-6, and the second team, 10-6.

## SOCIETY and Personals

Paragraphs  
About People  
You Know.

### Lorraine Feht Is Bride of Dud Kennedy

Miss Lorraine Feht, daughter of Mr. and Mrs. Martin Feht, Salem, Wis., became the bride of Dudley Kennedy, son of Mrs. John Doyle, Channel Lake, in a beautiful ceremony solemnized yesterday morning in St. Peter's Church by Father Francis Flaherty, assisted by Father Flann, Wilmet, Wis., and Father John Savage, Deerfield.

The bride was simply gowned in white velvet, with a bridal veil, and carried a bouquet of tube roses and lilies-of-the-valley. Maid-of-honor was Miss Beatrice Feht, sister of the bride, who wore a gold velvet gown, and bridesmaid was Miss Marie Felpo, Chicago, who was attired in green velvet. Both girls carried bouquets of jonquils.

Best man was Roger O'Brian, Chicago, and usher was Charles Padock. Music was provided by the choir and by Miss Grace Jyrch, who sang Rosvig's "Ave Maria." Following the ceremony a reception was held at the home of the bride.

The bride was graduated from the Immaculate High School in Chicago in 1931, and attended the Antioch Township High School last year as a post graduate.

The groom was graduated from St. Mel's high school, Chicago, in 1926, but has spent the past seven years near Antioch. He is now employed by the Standard Oil Co., Antioch.

Upon their return from a brief honeymoon to Paris unknown, the young couple will be at home to their friends at their home near Voltz Lake, Wis.

### MISS OLIVE HANSEN, GORDON MARTIN WED

Miss Olive Hansen, daughter of Mr. and Mrs. Thomas Hansen, Lake Marie, was united in marriage to Gordon Martin, son of Mr. and Mrs. Charles Martin, Lake Villa, in a simple ceremony performed in the M. E. Church at Des Plaines, by Rev. Philip T. Bohl.

The couple were attended by Mr. and Mrs. Roger Dardenne. The bride was becomingly attired in a brown ensemble and carried a bouquet of red roses. After the ceremony they left for a brief honeymoon at Crown Point, Indiana, where they visited relatives of the bride.

Both are graduates of the Antioch Township High School, the bride having been graduated with the Class of '31 and the groom with the Class of '30. For the past year and a half Mrs. Martin has been employed at the Antioch Lumber and Coal Company office, and the groom recently obtained employment at the Weber Duck Farm, Sand Lake.

The young couple are making their home at Lake Marie.

### MRS. W. H. OSMOND HOSTESS TO WOMAN'S CLUB

Mrs. W. H. Osmond assisted by Mesdames Clarence Crowley and John Horan, was hostess to the members of the Antioch Woman's Club, at her home on Orchard Street Monday afternoon.

Following the business session, Mrs. M. H. Lieber spoke on "World Happenings," or "What Is Going on About Us," which was a most interesting talk. There were 24 members in attendance.

The next meeting of the club will be held at the home of Mrs. S. Boyer Nelson, assisted by Mesdames W. C. Petty and L. J. Zimmerman.

### PEDERSON SISTERS ENTERTAIN MANY FRIENDS

The Misses Rose and Grace Pederson entertained about forty friends at their home near Hickory Friday evening. Nine tables of 500 were played, prizes being awarded Mrs. Camilla Rollings, Miss Marie Anderson, Eugene Sheehan, Phil Anderson, Miss Hilma Rosling and Bert Bown. After refreshments were served, a number of amusing parlor games were played.

### MISS CORNELIA ROBERTS ENTERTAINS AT BRIDGE

Miss Cornelia Roberts was hostess to a large group of friends at a bridge party at her home at Channel Lake, Monday night, honors going to Miss Curran, Mrs. C. W. Kutt, Mrs. H. H. Raleigh, Mrs. Fred Hackett, W. G. Petty, Thomas Cox, E. Morley Webb, L. O. Bright, Mrs. W. C. Petty won consolation prize.

### CHRISTIAN SCIENCE CHURCHES

"Life" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 21.

The Golden Text was, "If thou wilt enter into life, keep the commandments" (Matthew 19:17).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "In the way of righteousness is life; and in the pathway thereof there is no death" (Proverbs 12:28).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "We apprehend life in divine Science only as we live above corporeal sense and correct it. Our proportionate adjustment of the claims of good or of evil determines the harmony of our existence,—our health, our beauty, and our Christlikeness" (p. 167).

Christian Science Society  
955 Victoria Street  
Antioch, Illinois

Sunday School 9:45 a. m.  
Sunday morning service 11 a. m.  
Wednesday evening service 8 p. m.  
A reading room is maintained at the above address and is open Wednesday and Saturday afternoons from 2 until 4 o'clock, and Wednesday evening from 7 until 9 o'clock.

### ST. PETER'S CATHOLIC CHURCH

Antioch, Illinois

Sunday Masses will be at 8 and 10 o'clock.

Week-day Mass—8 o'clock.

Catechism Class Saturday mornings at 10 o'clock.

Confessions—Saturday afternoons and evenings from 4 until 6, and from 7:30 until 9 o'clock.

Rev. F. M. Flaherty, Pastor.  
Telephone—Antioch 274

### CHANNEL LAKE SERVICES

Sunday Church School services are held each Sunday afternoon in the school house at 2:30. The services are planned with the children of the district in mind, and it is an opportunity for your children to receive training in the Bible.

As adults attend, Bible lectures will be given following the school sessions. If you are interested you are invited to be present next Sunday at 3:30 P. M.

### METHODIST EPISCOPAL CHURCH

"A Friendly Church"

Church School, Sunday session, 9:45 A. M.

Morning Worship—11:00 A. M.

The theme for the sermon will be "The Three Fold Duty of Life—Formation."

Are we the victims of circumstances or can we govern or guide the circumstances surrounding our lives? We are what we are because of what we do with what God has given us. James Allen said, "You will become as small as your controlling desire, as great as your dominant aspiration." Is your spiritual life taken into your life's schedule?

Young People's Epworth League Service—7:30.

This will be an open service. The recognition of League membership and acceptance of the League pledge will be part of the service.

A Church Night Program and Supper will be held Wednesday evening, January 31st. This is an evening planned for Fellowship and Fun. Plan to be present. Bring the Family. There will be something interesting for all.

Supper will be served at 6:00 as promptly as possible. The plan—Covered dish and sandwiches or huns—or money to defray cost of coffee, sugar, cream, etc.

Choir rehearsal at 7:30 Wednesday evening, as usual.

Loyal V. Stiller, Minister.

St. Ignatius Episcopal Church  
Rev. Rex C. Simms, Pastor  
Phone 304

Kalendar—Septuagesima.

Holy Communion—7:30 A. M.

Church School—10:00 A. M.

Morning Prayer and Sermon—11.

Mr. and Mrs. William Aronson and children accompanied by Mr. and Mrs. James Todd of Richmond spent the week-end at Donovan, Ill., the guests of Mr. and Mrs. Elwood St. Pierre.

### MRS. EFFIE NELSON BECOMES ORACLE OF ROYAL NEIGHBORS

Mrs. Effie Nelson was installed as Oracle of the Royal Neighbors at the annual installation of officers held Tuesday evening.

Other officers installed were: vice Oracle, Alma Harden; past Oracle, Anna Kelly; recorder, Olive Keitman; receiver, Nellie Hauke; chancellor, Anna Hoffman; marshal, Eleanor Edgar; assistant marshal, Emma Powles; inner sentinel, Katherine Reineke; outer sentinel, Mary Runyard; manager, Alice Regan; musician, Deborah Van Patten; Faith, Claudia Koolman; Modesty, Sophia Mastno; Unsellfulness, Mabel Selter; Endurance, Erna Hostetter; Courage, Betty Mortenson; flag bearer, Sine Laurson.

Installing officer was Freda Wertz; ceremonial marshal, Myrtle Khas; and installing chancellor, Mildred Panowski.

Several musical numbers and three readings comprised the program. The musical selections included two solos, "Old Rocking Chair," and "Lonesome, That's All," by Mrs. H. B. Gaston; a violin solo by Richard Luke, accompanied by Miss Rose Luke; a song, "I'm Nobody's Fool" and a reading, "Laska" by Mrs. Arthur Edgar; two readings, "The Little Bug" and "The Lion and the Mouse," by Pat Dunn; two solos, "Sweetheart of Sigma Chi" and "Old Shanty Town" by Mrs. Frank Luke, accompanied by her son, Richard, on the violin; and several accordion selections by Henry Reineke.

### SEVEN 'N' SIX CLUB

MEETS AT ROSING HOME

Miss Hilma Rosling and Miss Isabelle Harwood were cohostesses of the last meeting of the Seven 'n' Six club held Tuesday evening at the home of Miss Rosling. Bridge was played, the prizes being awarded to Mrs. Marguerite Johnson, Miss Hilma Rosling, Miss Cornelia Roberts, and Miss Eleanor Meyer.

### BABY BOY IS BORN TO FORMER CHANNEL LAKE GIRL

Dr. and Mrs. G. Benesma, Chicago, are the parents of a baby boy born Tuesday at St. Luke's hospital, Chicago. The mother is the former Dorothy Gifford, daughter of Mr. and Mrs. William Gifford, Channel Lake, who take pleasure in announcing the birth of their first grandchild.

### E. M. WEBB ENTERTAINS AT HOUSE PARTY

E. Morley Webb entertained during a week-end house party for Miss Dorothea Hannala, Miss Betty Blair, and Ned Carpenter, all of Kenosha. They attended the ski tournament at Cary, Ill., Sunday.

### MRS. SOMERVILLE SPONSORS BENEFIT CARD PARTY

A bridge and 500 card party will be given at the home of Mrs. Mollie Somerville Wednesday night, Jan. 31. Proceeds are to go to St. Ignatius Episcopal church. Admission 25c.

### MRS. FRED HAWKINS ENTERTAINS LADIES GUILD

Mrs. Fred Hawkins was hostess to the members of the Ladies' Guild of the St. Ignatius Episcopal church at her home yesterday afternoon. Six tables of bridge were played, prizes being awarded Mrs. Ernest Brook, Mrs. W. H. Osmond, Mrs. William Gray, and Mrs. William Anderson.

### REBEKAHS TO MEET FOR INSTRUCTION

Members of the Rebekah Lodge will meet Friday afternoon, February 2, with Mrs. Grace Barstow of Waukegan present to give instruction. The instruction will begin at 2 o'clock. A pot-luck dinner will be held at 5:30, followed by a continuance of instruction during the evening.

### SIXTY-EIGHT CANDLES ON BIRTHDAY CAKE

Sixty-eight candles adorned a large birthday cake at the home of Mr. and Mrs. Charles Miller Monday night when a number of friends surprised Mrs. Miller on the occasion of her birthday. The birthday cake was the gift of Mr. and Mrs. A. M. Hawkins. An enjoyable evening was spent playing 600 and bunco.

### DR. WILLIAMS SURPRISED WITH PARTY FRIDAY

A group of friends surprised Dr. and Mrs. Roy Williams Friday evening. Bridge was played.

### MR. AND MRS. GEO. KUHAUPT ENTERTAIN FOR DAUGHTER

Mr. and Mrs. George Kuhaupt entertained at a six o'clock dinner at their home in honor of the birthday of their daughter, Mrs. Ray Thompson, Friday. Those present were Mr. and Mrs. Ray Thompson, Bobby, and Billy and Mrs. Kamlow of Allendale.

### MR. AND MRS. JAMES DUNN ENTERTAIN AT BRIDGE

Mr. and Mrs. James Dunn were hosts to a number of friends at their home on Ida Ave., Tuesday night. Bridge was played, prize winners being Mrs. James Dunn, Arnold Buschman and Edmund Vos.

### LEAVING FRIDAY FOR ARIZONA

Mr. and Mrs. Frank H. King and son, Robert, will leave Friday for Tucson, Arizona, where Robert will enter the University of Arizona for the second semester.

### MRS. SOMERVILLE ENTER- TAINS BRIDGE CLUB

Mrs. Mollie Somerville was hostess to the members of the Tuesday bridge club at her home this week. Prize winners were Mrs. Michael Golden and Mrs. Clarence Shults.

### MRS. KELLY IS HOSTESS TO EPISCOPAL GUILD

About sixty were in attendance at the card party given by Mrs. Anna Kelly at her home on North Main street for the benefit of the Guild of the Episcopal Church, Friday evening. Bridge and 500 were played. There were 24 prizes awarded.

### MRS. ADDISON FELTER HOSTESS FOR DAUGHTER

Mrs. Addison Felter was hostess at a family dinner, at her home on Lake street Monday evening, in honor of the birthday anniversary of her daughter, Mrs. H. H. Eddy.

### PETTY ADDRESSES WOMEN'S VOTERS' LEAGUE

County Superintendent W. C. Petty spoke before the League of Woman Voters at Highland Park Wednesday afternoon.

### O. E. S. TO SPONSOR CARD PARTY

A public card party, sponsored by the Eastern Star, will be held at the Masonic Hall Monday evening, January 29. Bridge and 500 will be played, prizes awarded and refreshments served. Admission 35c.

### O. E. S. TO HOLD INITIATION RITES

The first initiation service of the Eastern Star to be held this year with the new officers in charge will be conducted tonight, when Mrs. Lillian Gaa will be initiated.

### AUXILIARY TO ENJOY ANNUAL BIRTHDAY PARTY

The annual birthday party of the American Legion Auxiliary will be observed Friday night by the members of the Auxiliary and Legionnaires. The evening will be spent in playing bridge and dancing. Mrs. Paul Ferris is chairman of the committee in charge.

### SON IS BORN TO FORMER ANTIOCH GIRL

Mr. and Mrs. Leslie Ryan, Chicago, are the parents of a baby boy born Friday. Mrs. Ryan is the former Marguerite Sullivan, daughter of Mrs. Lena Sullivan.

### Personals

Mr. and Mrs. Earl Somerville and Mr. and Mrs. Smith, of Elgin, spent Saturday with Mrs. M. Somerville.

Frank King and Nason Sibby spent Tuesday in Chicago.

William Brook, of Beloit, spent the week-end at the home of his parents, Mr. and Mrs. Ernest Brook.

Mr. and Mrs. C. L. Kuttli visited with relatives, in Racine, Sunday.

Dr. Jensen attended the Wisconsin State Veterinary Association meeting, Tuesday and Wednesday, at Madison, Wis.

Bob King, of Champaign, was home over the week-end.

Mrs. M. Somerville entertained Mr. and Mrs. John Bornbaum, of Chicago, Sunday.

Mrs. Anna Kelly attended a Department of Illinois Board Meeting of the Daughters of the G. A. R., in Waukegan, Monday.

Mrs. William Schroeder, Mr. and Mrs. George Brand and son, Billy, of Chicago, were recent guests at the D. A. Williams home.

Mr. and Mrs. Roland Carlson, Chicago, spent the week-end with Mr. and Mrs. Fred Stahmer.

Miss Hazel Buchert, near Millburn, has been seriously ill at her home for the past four weeks.

O. J. Malok, who has been very ill the past three years, is much improved.

Mrs. Lloyd White and Leland Watson of Waukegan were Antioch visitors Tuesday.

Mr. and Mrs. George Kuhaupt spent Sunday with Otto Weber at Horicon, Wis.

Mr. and Mrs. N. N. Lindberg, Mrs. T. C. Brown and son, Mr. and Mrs. Thomas Lindberg, Mr. and Mrs. Nels Peterson, Mr. and Mrs. Sam Vig, of Chicago, spent Sunday with Mr. and Mrs. Fred Peterson.

Mr. and Mrs. Paul Pegelow of Prairie View, Wis., were entertained Sunday in the home of Mr. and Mrs. Charles Miller.

Mr. and Mrs. S. Boyer Nelson and Robert King, Antioch, and Mr. and Mrs. F. W. Peters, Woodstock, spent the week-end at Bloomington, Ill., the guests of Mr. and Mrs. L. M. Wetzel and family, and Harold Nelson. They took Robert King back to the University of Illinois at Urbana Sunday.

Full Fashioned Children Hose 79c at Morlaine's, Antioch.

Mr. and Mrs. W. C. Petty entertained Saturday evening for Prin. and Mrs. W. H. Thompson, of the Warren Township High School, Gurnee, Prin. and Mrs. C. C. Claxton, Fox Lake, and Prin. and Mrs. L. O. Bright.

Mrs. Bert Galtger and Miss Mary Galtger, Lake Villa, motored to Dixon, Ill., Tuesday evening, January 16, to visit Miss Marguerite Galtger, who is in nurses' training at the Dixon State Hospital, and who has been quite ill for two weeks from a cold and infection.

Frank Dunn is slightly improved this week, after an illness of two weeks, due to a heart ailment.

Mr. and Mrs. Fina Peters, Woodstock, spent several days last week with Mr. and Mrs. S. Boyer Nelson.

Miss Virginia Hachmeister spent the week-end in Chicago visiting Mr. and Mrs. Roy Kennedy and family and Richard Kennedy.

Thomas Sullivan spent from Sunday until Tuesday at Channel Lake, the guest of Mr. and Mrs. Thomas Runyard.

Henry Prossit, Union Grove, Wis., was a guest at the Otto S. Klass home Sunday.

Miss Lois Loeper resumed her duties at Wetzel's Bakery Sunday, after a month's vacation.

Mr. and Mrs. William Rosling attended the Shell convention in Milwaukee Tuesday and Wednesday.

Mrs. Maurine Radtke attended a bridge luncheon given by her sister, Mrs. Howard Johnson, Waukegan, yesterday afternoon.

Mr. and Mrs. Roy Kufalk spent Sunday with Mr. and Mrs. L. Kufalk.

Mr. and Mrs. Andrew Harrison entertained Mrs. Rosa Hockney and Douglas Leece at a six o'clock dinner Sunday.

### Wants to Hear from Old Friends

A communication received by the News this week from George P. Benedict, of Hot Springs, South Dakota, makes inquiry of friends and acquaintances Benedict knew when he was in Antioch in 1890 to 1893. While in Antioch he was a meat cutter for the Whiteher & Shollitt market, and lived at the hotel of Mr. and Mrs. L. B. Grice.

For the last five years Benedict has been a patient in the State Soldiers' Home hospital at Hot Springs, on account of ill health which he claims was brought about by his military service in the fever infested swamps of the Philippine Islands.

Benedict expressed a desire to hear from his Antioch friends.

### Card of Thanks

We wish to express our appreciation and thanks to those who extended their assistance or sympathy, or sent flowers at the time of our recent bereavement.

Mrs. Ida Helcher Johnson  
and family.

### Library Notice

Due to the delay in the decorating at the Antioch Grade School, the Antioch Public Library will remain closed another week, reopening Monday afternoon, February 5. Books now due may be returned any day except Friday, February 2.

Owing to the requests of my many friends I am announcing the re-opening of the Eleanor Beauty Shop at Channel Lake. Tel. Antioch 211. Will appreciate your patronage.

ELEANOR SORENSON.

(24p)

REMEMBER  
BERNARD J. JURON

APRIL 10th. (24-25c)

Yes Sir! That's the best car the factory ever built. I'm going down to Gambles where I can get repairs at a very low cost. Generators for all cars, \$2.98 each, and up. Piston Rings and Valves - Sphaloid Bolts - Gaskets - Connecting Rods - Brakes Linings, etc.

Mr. and Mrs. C. L. Kuttli and daughter spent Sunday at the home of Dr. and Mrs. E. L. Tompach, Racine, Wisconsin.

Mr. and Mrs. Robert Mann spent Sunday in Chicago visiting with relatives.

## LOCAL POSTMASTER JOB IS OPEN TO NEW APPLICANTS

### U. S. Civil Service Will Hold Competitive Examination

A competitive examination for postmaster in Antioch was announced this week by the United States Civil Service Commission at the request of the Postmaster General.

This examination is to be held under the President's order of July 12, 1933, and not under the civil service act and rules. It was announced that competitors will not be required to report for examination at any place, but will be rated upon their education and training, business experience, and fitness.

Applicants should apply to the secretary of the board of civil service examiners at the local post office, or to the United States Civil Service Commission, Washington, D. C., for application Form 10, and Form 223 containing definite information in regard to the examination.

Application must be properly executed on Form 10 and filed with the Civil Service Commission, Washington, D. C., before the closing date on February 13, 1934.

A general warning was issued that any person offering or receiving any remuneration as a political contribution in exchange for influence or support in obtaining the appointment, as offenders in this respect are liable to prosecution.

## Millburn Team Drops a Game To Beverage All-Stars

### St. Peter's Loses a Close Game to Otter-Ken- yon's 24-18

The Millburn basketball team went down for their second defeat of the season Tuesday night, when the Glen Rock Beverage All-Stars proved just a little too nimble during the last few minutes of the game, which was played at the Antioch high school gymnasium.

The game was a nip-and-tuck affair until during the last two minutes before the final whistle blow, when the Waukegan team hit the net for three successive baskets, to win by a 27-21 score.

#### St. Peter's Loses

St. Peter's team also dropped a game the same night to Otter-Kenyon's, who finished with a three basket lead, 25-18.

After a slow first quarter in which only one basket was scored, and that one by the Waukegan boys, the teams aroused themselves and made several long shots, both contestants being unable to work the ball under the basket. The winners took advantage of the rebound shots to keep their team out in front.

## Milkman and Grocer Deliver Beauty Treatments

Fruits, vegetables and milk are needed daily.

**YOUTH PRESERVER, Tissue Builder, Sculp Nourisher, Hair Tonic, Eye Revivator, Reducing Medicine**—we are accustomed to seeing these labels on our cosmetics and lotion bottles but they might as truly be put on the outside of our milk bottles, fruit baskets, vegetable containers and egg cartons, for these foods contain in them minerals, vitamins and proteins which genuinely deserve such tags.

Of course you can't just go out and buy a vitamin but if you could and if these vitamins could be wrapped up neatly in cellophane and sealed with the perfume of flowers, this is how the labels should read (with suggestions for suitable color schemes):

**Vitamin A**  
Resister of Infections, Including Those of the Skin and Eyes, Promoter of Long Life (Tint yellow to suggest the carrot which is one of its sources.)

**Vitamin B**  
Use Generously as Protector Against Ravages of Nervous Troubles. Natural shade, as the neutrally colored whole grain cereals are good sources of this vitamin.)

**Vitamin C**  
Builder of Beautiful Teeth and Bones (Deep red for the tomato which, with the citrus fruits, is richest in this vitamin.)

**Vitamin D**  
To Be Used With C to Produce Healthy Teeth and Bones (Gold for the sunlight which forms it.)

**Vitamin G**  
Preserver of the Characteristics of Youth.

(Creamy Ivory for fresh milk, its best supply.)

Notice that, like the most exclusive French perfumes which are designated simply by numbers, the vitamins, with elegant simplicity, are called just by letters.

The minerals and proteins deserve attractive packaging and enthusiastic advertising too. Protein should have a label written like this—Tissue Builder and Repairer. Of the minerals, calcium, phosphorus and iron lead the way. Calcium, besides working with Vitamins C and D to produce healthy teeth might have a label—Nerve Tonic. Phosphorus is a fourth member of the tooth and bone building quartette, and iron is a putter of roses in the cheeks.

Of course, like all approved "beauty lines" to get the best results you must use every single one of these nine elements regularly. For, working together, they create healthy, well-nourished hair, slim figure, smiling complexion and the sparkling eyes that give evidence of buoyant health.

But fortunately it is unnecessary to go forth and buy nine expensive bottles or jars to get these precious food elements. Just let your milkman and grocer deliver their inexpensive fresh milk, fruits, vegetables and eggs at your door and you will have all these vitamins and minerals at hand. Actually, a daily quart of milk comes near to being a complete beauty treatment by itself, for it contains all the food elements last mentioned. Supplement with liberal servings of fruits, vegetables and eggs, your beauty diet is just that much strengthened.

## "New" Beauty Prescription Is Easy, Pleasant and Safe

Lovely Jane Barnes, Fox Featured Player, shown drinking milk as a part of her diet. "It's one of the good habits," she says.

**WHEN** you go to a beauty shop, naturally you don't expect a shampoo to improve your complexion or a facial to make your hair gleam.

Exterior beauty applications are necessarily limited in their effect—a definite treatment for a definite beauty problem. It is not so with "internal" beauty culture. There is one single treatment that will not only improve your figure but every part of you—your hair, complexion and general attractiveness.

It is simply this—to be taken every day: At least a pint of fresh milk; two fruits (one citrus or tomato); two vegetables other than potatoes, plus eggs several times a week. Supplement this diet of course with other foods, the amount depending on whether you want to gain weight, lose it, or stay normal.

"Guaranteed" by Nutritionists. We cannot all be experts in all things, so, naturally we cannot intelligently choose the very best lotion, rouge, or lipstick; we have to take some one else's word for it—usually the word of the maker of the product. Considering that what we prescribe for our-

selves in the way of beauty treatments is almost as important from the health standpoint as what the doctor prescribes for us to cure physical ills, it is strange that we don't examine more carefully into what is in those beauty preparations we apply to ourselves.

But on this basic diet treatment you need take no manufacturer's word. Unbiased nutritional scientists agree that these four foods taken in abundance each day, are essential for the most radiant health which is beauty's firmest foundation.

**Delivered at Your Door.** Another advantage of this diet treatment is its convenience. No traveling long distances to beauty shops—no getting up fifteen minutes earlier to apply it. The ingredients of this diet prescription are all delivered right at your door by your milkman and grocer. You simply "take" them in your meals, with no extra trouble and no extra expense.

And best of all, they are pleasant to use—for these four foods are among the most appetizing of all the elements of our diet.

## FORMER MILLBURN RESIDENT PASSES AWAY

### W. C. Petty to Show Motion Pictures of Oakland School at Program

Mrs. John Wedge, who has been ill for two months at the home of her daughter, Mrs. William Gee in Waukegan, passed away Tuesday morning. Burial will be at Millburn cemetery Thursday afternoon.

Mr. Petty will show motion pictures of Oakland School at a program given at Oakland school Friday evening, Jan. 26. Cafeteria lunch will be sold after the program.

The Hickory Unit of Home Bureau met at the home of Miss Floy Dixon at Rosecrans on Thursday afternoon, with thirteen members and two guests present. The minor lesson, "How to Turn a Mattress with a Patient in Bed" was demonstrated by Mrs. Bert Edwards with Miss Dixon as patient. The major lesson, "Hypnotism" was given by Mrs. Gordon Bonner.

Mr. and Mrs. George Edwards, Mr. and Mrs. D. B. Webb, Mr. and Mrs. Frank Edwards and Mrs. Eva Alling attended the funeral services for Earl Edwards at Post-Office's Funeral Home in Oak Park Saturday afternoon.

Mr. and Mrs. Frank Kennedy, Mrs. Florence Achen and son, Norman, were guests for dinner at the E. A. Martin home on Sunday.

Mr. and Mrs. Romney Ashton of Chicago were week-end guests at the D. B. Webb home.

Mrs. O. Anderson and daughter, Margaret, Erie Anderson, and Miss Alice Bauman spent Sunday afternoon at the home of Mr. and Mrs. Max Irving at Hickory.

Mr. and Mrs. W. M. Bonner spent Wednesday afternoon at the home of Mr. and Mrs. Charles Rountree at Rochester, Wis.

Wednesday afternoon was Visiting Day at Millburn School. Six mothers attended the afternoon classes.

Mr. and Mrs. Clark and family from Wedge's Corner have moved to the house vacated by the Sleem family.

Mr. and Mrs. Robert Bonner and sons spent Sunday with Mrs. Bonner's mother, Mrs. George Beaumont, at Kansasville, Wisconsin.

The Millburn Church School is sponsoring a Father and Son banquet to be held at the Masonic Hall on Feb. 10, 1934. The supper will be served by the February and March committees of the Ladies Aid Society for the reasonable sum of 35 cents a plate.

## Forty-One Appear At Chest Clinic

### Christmas Seal Sale Totals \$4,710.01; Insufficient, Chairman Says

Forty-one patients were examined at the chest clinic held at St. Theresa's Hospital Wednesday, Jan. 17. Nine of these were new cases. Seven other new contact cases were asked to wait until the February clinic for examination because of the already large attendance at the January Clinic.

These clinics are sponsored by the Lake County Tuberculosis Association and are held the third Wednesday of each month. This clinic is one of the activities of the Association made possible by the Christmas Seal Sale fund. Returns from the Seal Sale are dropping off the last few days according to reports from the Association office.

Early in January 4500 follow-up cards were sent out over the entire County reminding many people that it is not too late to pay for Christmas seals. Only 200 of the 4,500 have responded at this time. The Seal Sale total stands at \$4,710.01. This amount is insufficient to carry on the activities of the Association during the entire year.

**Annual Meeting Feb. 7.** The Annual Meeting of the Lake County Tuberculosis Association will be held Wednesday, February 7, at 12:15 P. M. at Hotel Waukegan. Miss Edna Foley, Director of the Visiting Nurses Association in Chicago, will be the guest speaker. Following the Annual Meeting the members of the Board of Directors will meet for the election of officers for the coming year.

Tickets for the luncheon will be 65c and may be obtained at the office of the Association or reservation made by calling Majestic 1805. Anyone who has contributed one dollar is a member of the Lake County Tuberculosis Association and his presence is urged at this Annual Meeting of the Association.

## Gown or Dinner Suit

A dramatic jacket of narrow circular ruffles embroidered in jet transforms a formal black velvet gown into a dinner suit.

Phillip Simpson returned home Monday evening, for a week's visit, before leaving for Mexico with the J. K. Dering movie expedition. Owing to stormy weather, and rough water, the expedition did not leave early in January for Mexico as planned.

## AMUSEMENTS

### Will Rogers at the Genesee Theatre

Laughter is the order of the day! Will Rogers comes to the Genesee theatre, on Sunday, in his latest picture for Fox, "Mr. Skitch." The film will remain for three days.

This is the screen adaptation of Anne Cameron's Saturday evening Post story, "Green Dice," and, with Zasu Pitts in the principal feminine role opposite Rogers, is bound to register high as a screen treat of rare flavor. The story details the adventures of a typical American family who take to the road in their sliver after the depression has cleared them of all their other possessions. Of course, they encounter all sorts of adventures, most of them unexpected, and all of them hilarious.

As an extra added feature all next week the Genesee Theatre is offering LEO TERRY—the celebrated organist in a series of his own presentations. Mr. Terry comes direct from the Balaban & Katz Theatres in Chicago where he has played for a number of years and many have probably heard his broadcasts from the Oranada Theatre over radio station WJBO. Different organ presentations will be offered with each change of program next week.

Mr. and Mrs. W. R. Williams, Mrs. Lillian Williams and sons, Dean and Roger, went to the ski meet at Cary, Illinois, Sunday.

## \$300 LOANS NOW COST LESS

(Monthly rate cut to 2½%)  
Loans Below \$300 At Our Regular Rates

Household announces a substantial cut in the cost of \$300 loans. The new low monthly rate is 2½%. Families keeping house who can repay monthly now may borrow \$300 at a real saving. Quick, private service. Only husband and wife sign. 20 months to repay. Visit, write, or phone the Household Finance Corporation on 3rd floor of Waukegan Nat'l Bank Bldg., S.W. Cor. Genesee & Washington Sts., Waukegan. Phone Ontario 7111.

## Yesterdays

## Forty Years Ago

January 25, 1894

Mrs. H. Osmond, of Richmond, visited relatives here a few days last week.

Frank Norton has organized a class in which he will impart the secrets of stenography.

Rev. D. McLean assisted Rev. Abel in conducting the revival meetings during a part of this week.

George Webb has rented Joseph Kelly's house on Main street and will move from Lake Villa in the near future. Mr. Webb has accepted a position as salesman for a Chicago grocery house.

Miss Winnie Jamieson has been visiting relatives and friends here, returning to Millburn Sunday.

Frank Mathews has returned from his travels.

Thomas Brogan has gone to Chicago where he will accept a position as bookkeeper of a large firm.

Frank Wicks and Miss Katie Halm, Camp Lake, Wis., were married at Munster last Thursday morning.

Among the local advertisers in this week's issue of the News are: C. O. Poltz & Co. Department Store; George R. Olcott, dentist; Fred Pittman, harness-maker; H. Barber, Jeweler; A. P. Ames, hardware, tinware, and farm machinery dealer; The Sherry Lumber Yard; J. J. Burke, real estate and oaks; R. J. Honnolt, village lots for sale; J. B. Story and son, ice cream parlor; J. C. James, Jr., furniture and undertaker; Ben Stoebe, shoe store; A. G. Watson, warehouse and feed dealer; Williams Bros. Department store.

## Twenty Years Ago

January 22, 1914

Among the Antioch farmers who won prizes at the Corn Show at Libertyville last week were: A. O. Hughes, second best single ear of white corn; David Minto, third best ten ear samples; A. G. Hughes, best 10 ears white corn; Gorm Anderson, first in winter wheat; D. M. White, second in winter wheat; A. N. Tiffany, third in spring wheat; Gorm Anderson, first in medium red clover seed; A. G. Hughes, first in grasses and timothy seed.

Mr. and Mrs. Lee Karr of Detroit, Mich., are the proud parents of a baby boy, who came to their home on Tuesday, Jan. 13, and who bears the title of Charles Lee, Jr.

Percy Fairman of Jerome, Idaho, and Paul Fairman of Chicago, visited at the H. H. Grinn home last week. Supervisors Ficke and Simeas Monday let the contract for delivering the signs and posts which are to be erected at the various corners in Lake County to the F. Balstow firm.

Mr. and Mrs. N. S. Burnett spent Sunday at Solon Mills.

Mrs. C. Blue of Davis City, Iowa, arrived last Thursday for an indefinite stay with her daughter, Mrs. Daniels, Lake Villa.

John Thain, Millburn, lost a valuable horse last week.

Helen Johnson, Silver Lake, gave a party to a few of her girl friends Saturday afternoon in honor of her ninth birthday.

Dora, Agnes, and Edith Pederson, Hickory, visited Friday with their sister at Leon Lake.

Mr. Safford, Millburn, was taken sick Sunday morning during his sermon and had to be removed to his home.

## Fifteen Years Ago

Clyde Fields, commonly known among the boys as "Red" arrived in Antioch from an English hospital, after having seen overseas duty for the past seven months. Private Alonzo Runyard, who has been engaged in overseas duty for the past ten months, arrived home very unexpectedly last Thursday evening.

Mrs. Lee Muddenduff entertained her mother, Mrs. Richardson of Lake Forest the latter part of last week.

A boy was born to Mr. and Mrs. Walter Hills Monday.

Mrs. Harry Beabe visited Tuesday and Wednesday at Libertyville with Mrs. Joseph Kenout.

Mr. and Mrs. Fred Fowles are the parents of a baby girl born Tuesday. Mabel Silekles returned home from the Wesley hospital Sunday. She is recovering quite nicely from the effects of her recent operation.

A son was born to Mr. and Mrs. Percy Hawkins Wednesday.

C. F. Richards was in attendance at the grain show at Libertyville Wednesday.

Mr. and Mrs. H. P. Lowry, Lake Villa, are living at the E. J. Lehman house for the winter.

Mrs. James Kerr, Lake Villa, returned last Thursday evening from Washington, D. C., after a six weeks' visit at the home of her brother, J. J. Pettijohn and family.

Henry Olson and Mr. Sorn, Trevor,

Guard Against Too  
Strenuous Reducing

Betty Furness, charming RKO-Radio Pictures player, poses in this one-piece white rubber bathing suit.

THE recent death of Hecce Adoree, which was attributed to a too strenuous reducing schedule, has helped to focus attention on this danger. A warning on this health hazard is greatly needed for, although many people do not have enough will power even to keep to a sane reducing plan, there are also many of the opposite type who have too much will power or at least wrongly directed ones. These are the ones who starve themselves, take too violent exercise, or use other unsafe reduction methods—eventually losing weight—and health along with it.

No reducing diet should contain less than 1400 calories per day. But it is not sufficient simply to take a calorie chart and figure a diet that will add up right in the 1400 calorie diet the protective foods—fresh milk, fruits, vegetables and eggs—should have a large part, because only by using these foods regularly can you protect yourself against deficiencies in the diet which are particularly likely to occur when you are cutting down on food. Fresh milk is especially useful for the individual who is reducing because though it is not high in calories it is, conveniently, the food highest in food value.

Further, you will get double value from your protective food reducing

diet because while it's helping to take off pounds, it's also helping you add to your beauty.

## Try This Menu From a Screen Star's Diet.

A 1400-calorie diet that supplies the essential vitamins, minerals and proteins to maintain good health usually results in a safe reduction of 1/4 pound per day.

## Breakfast—435 Calories.

1/2 grapefruit.....100  
1 poached egg on toast.....125  
Coffee.....50  
1 teaspoon sugar for coffee.....35  
Milk for coffee.....50  
1 glass milk.....135

## Luncheon—335 Calories.

Clear consommé.....25  
Chopped vegetable salad with French dressing.....100  
1 thin slice bread with 1 teaspoon butter.....75  
1 glass milk.....135

## Dinner—493 Calories.

1 lamb chop.....100  
1/2 cup creamed potatoes.....30  
3 stalks asparagus.....25  
1 teaspoon butter for vegetables.....35  
1/2 cup fruit cup.....100  
1 glass milk.....135  
Between Meals or at Bedtime.  
1 glass milk.....135

## She Can Shoot, Too

Olenna Collett Vane, whose forte is shooting straight on fairways and greens, can also do a bit of straight shooting with rifle and shotgun. She is an accomplished marksman at the traps, and when seeking game on the wing or hoof. Here she is shown during a match between the Trapshooting teams of the Huntington and Valley Forge clubs near Philadelphia.

HICKORY COUPLE ARE  
PARENTS OF BABY GIRLEdwards families Attend  
Funeral of Earl Edwards  
at Oak Park

Mr. and Mrs. Leo Carney are the parents of a baby girl, born Thursday, January 18, at their home.

Mr. and Mrs. Bert Edwards and Mr. and Mrs. Warren Edwards attended the funeral of their brother, Earl, at Postowall's Funeral Home in Oak Park Saturday afternoon. Interment was in Hickory Union Cemetery.

Mr. and Mrs. Charles Skemp from Washington, D. C., called at the John Crawford home, Wednesday.

Miss Sundahl of Chicago spent Mrs. Nellie Meha of Kenosha spent several days with the Leo Carney family.

Dr. and Mrs. A. J. Stream and Mr. and Mrs. Ted Harrison and family of Chicago spent Sunday with Mr. and Mrs. Ed Stream.

Miss Sundahl of Chicago spent Wednesday at O. L. Hollenbeck's.

Mrs. Nellie Wells is on the sick list.

Miss Edith Thompson of Libertyville was home over Sunday.

Mr. and Mrs. Max Irving and family were Waukegan visitors Friday.

Mr. and Mrs. Ray Bishop and Elsie from Kenosha visited Sunday evening at George Tillotson's.

Mr. and Mrs. Russell Brumfield of Antioch visited the Chris Paulsen family Sunday.

Mr. and Mrs. Clarence Spiering and Dorothy were Chicago visitors, Sunday.

Mr. and Mrs. Lynnhart and family from Waukegan visited Mr. and Mrs. Hugo Gussason Sunday afternoon. Friends from Chicago also called there in the evening.

## POTPOURRI

## Metal Lighter Than Water

Lithium, which is only slightly more than one-half as heavy as water, is the lightest known solid. It is a silver-white metal and very soft, softer even than lead. It is so light that it will float on oil. Rather than occurring in a free state, it is found in solution in certain mineral waters.

## An Extended Trip

If about to embark on a long trip, have the eaves and roof of your home examined before you leave. Then there will be no nasty leaks causing ruined walls and furnishings while you are away.

STATE OF ILLINOIS } ss.  
COUNTY OF LAKE }  
IN THE COUNTY COURT OF LAKE COUNTY.

IN RE: PETITION OF ) GEN. NO. H. S. MESSAGE, ET AL.) 6300.  
PETITION FOR CREATION OF A FIRE PROTECTION DISTRICT KNOWN AS THE "FIRST FIRE PROTECTION DISTRICT OF ANTIOCH TOWNSHIP"

Notice is hereby given to the legal voters, residents and property owners of the territory comprising the proposed fire district hereinafter described, to-wit:

All that part of Antioch Township included within the following described boundary lines, beginning at the Northeast corner of Township 46 North, Range 10 East, Third Principal Meridian, thence West along the North line of said Township 46 North, Range 10 East, Third Principal Meridian and the North line of Township 46 North, Range 9 East, Third Principal Meridian to the East or shore line of Fox River, thence Southerly along the said Easterly shore line of Fox River to the South line of said Township 46 North, Range 10 East, Third Principal Meridian, thence East along the said South line of Section 34, and the South line of Section 35, in said Township 46 North, Range 9 East, Third Principal Meridian to the Easterly shore line of Grass Lake, thence Southerly along the said Easterly shore line of Grass Lake and the Easterly shore line of Fox River to the South line of Section 34, in said Township 46 North, Range 9 East, Third Principal Meridian, thence East along the said South line of Section 34, and the South line of Section 35, in said Township 46 North, Range 9 East, Third Principal Meridian to the Easterly shore line of Fox Lake, thence Northerly and Easterly along the Westerly and Northerly shore line of said Fox Lake to the East line of said Section 35, thence North to the Southwest corner of Section

25, in said Township 46 North, Range 9 East, Third Principal Meridian, thence East along the South line of said Section 25, to the East line of said Township 46 North, Range 9 East, Third Principal Meridian, thence North along the West line of said Township 46 North, Range 10 East, Third Principal Meridian to the Southwest corner of Section 19, in said Township 46 North, Range 10 East, Third Principal Meridian, thence East along the South line of said Section 19 and the South line of Sections 20, 21, 22, 23 and 24, in said Township 46 North, Range 10 East, Third Principal Meridian, to the East line thereof, thence North along the said East line of Township 46 North, Range 10 East, Third Principal Meridian to the place of beginning, excepting therefrom that part thereof included within the corporate limits of the Village of Antioch said corporate limits described as beginning at a point on the North line of and 40 rods East from the Northwest corner of the Northeast quarter, Section 8, in said Township 46 North, Range 10 East, Third Principal Meridian, thence West along the North line of said Section 8, and the North line of Section 7, in said Township 46 North, Range 10 East, Third Principal Meridian to a point which is 40 rods West from the Northeast corner of said Section 7, thence South along a line which is 40 rods West from and parallel to the West line of said Section 7, and the West line of Section 13 in said Township 46 North, Range 10 East, Third Principal Meridian to the Southwest corner of the East 40 rods of the North Half, Northeast quarter, of said Section 18, thence East along the South line of said North Half, Northeast quarter, Section 18, and the South line of the North Half, Northwest Half, Section 17, in said Township 46 North, Range 10 East, Third Principal Meridian to the Southwest corner of the North Half, Northeast Quarter, of said Section 17, thence East to the Southeast corner of the West 40 rods of said North Half, Northeast quarter, Section 17, thence North along a line which is 40 rods East from and paral-

lot to the North and South quarter line of said Sections 17 and 3, Township 46 North, Range 10 East, Third Principal Meridian to the place of beginning, in Lake County, Illinois.

That a petition has been filed with the County Clerk of said County, pursuant to Statute, praying that the territory above described be organized and maintained as a fire protection district for the benefit and protection of all the owners of property and residents of the aforesaid territory, said district to be known as the "First Fire Protection District of Antioch Township"; that the undersigned County Judge has fixed the 14th day of February, A. D. 1934, in the room usually occupied by the County Court in the Court House at Waukegan, Illinois, at also o'clock in the forenoon, as the time and place for the hearing of said petition, at which time and place the undersigned County Judge will hear evidence, suggestions, and statements touching the location and the boundary of such proposed fire protection district, and shall consider whether the same shall be those stated in the petition or otherwise, and shall fix and determine said boundaries and make such other and further orders in the premises as the law shall provide.

Dated at Waukegan, Illinois, this 16th day of January, A. D. 1934.

## When You Go A-Marketing

Careful buying is essential if food costs are to be kept down. Here are a few general tips for thrifty marketing.

Buy fresh fruits and vegetables when they are in season. Use dried vegetables when you can.

Buy bulk goods rather than packaged goods. They are less expensive.

Buy in as large quantities as your storage space allows. One of the advantages of electrical refrigeration is that it lets you stock up fruits, vegetables and meats at special sales and keep them fresh for a week or ten days.

For low incomes, it is essential that proper attention be given to the purchase and use of cereals. Cereals provide more nourishment in proportion to cost than do any other foods. In buying, one should remember that "ready to serve" breakfast cereals are much more expensive than uncooked or semi-cooked cereals. Whole-grain cereals are richer in mineral content than are cereals made of only part of the grain. Ordinary or "broken" rice is less expensive than "head" rice. Ready-to-use and self-heating rice is more expensive than all purpose flour.

The cuts of meat for which there is least demand are much cheaper than more popular cuts. These cuts are just as nutritious and can be cooked as palatably as the more expensive. It is good dietetics as well as sound budgeting to make frequent use of fish and meat substitutes such as cereals and cheese dishes.

Fore Shank, flank, shoulder cuts, neck cuts, rump, dried beef, brisket, liver (beef) tongue and cod and salmon (canned). Often these inexpensive cuts of meat are tougher and require long, slow cooking. Pounding will break the long fibers and makes the meat more tender.

### HOUSEHOLD HINTS

#### Rollers Last Longer

After the washing is over, unscrew the wringer until the rollers are wide enough open to allow two thin wedges of wood to be slipped between them. This permits the air to pass through freely and tends to increase the life of the rollers.

#### To Thaw Frozen Pipe

To thaw out a frozen pipe, insert a small one into the larger one. Pour hot water down the small pipe and it will rapidly force its way through the large pipe, thawing it out.

#### Picking Ducks

The job of picking ducks is always unpleasant because of the down left after the heavy feathers have been removed. I pour melted paraffin over the down. As soon as the paraffin hardens, the feathers all stick to it and are easily removed, by scraping with an old case knife.

#### To Make Corn Pop

When popcorn fails to pop satisfactorily try soaking it first in cold water for 15 minutes. Drain and pop and you will be delighted with the result.

#### Stuffed Baked Potatoes

Scrub potatoes thoroughly. Place in hot oven (400 F) until soft. Cut a slice from top and scoop out the potato, leaving the shells whole. Mash or rice and season with milk, butter, salt and pepper. Refill shells. Sprinkle with paprika. Return to oven and brown. Grated cheese may be sprinkled over the top.

#### Chicken Legs

1/2 pound veal steak  
1/2 pound pork steak  
1 egg beaten  
5 skewers  
Cut veal and pork in strips. Weave on to a wooden skewer, using first a piece of veal and then a piece of pork. Dip in eggs and then in flour. Brown in small amount of fat, fry out the meat, cover and cook for 45 minutes, slowly.

#### Rice with Tomatoes and Cheese

1 cup rice  
1/2 can tomatoes  
2-inch cubes of cheese  
3 tablespoons salt  
1/2 teaspoon pepper  
Wash the rice, sift it slowly into about 5 cups of boiling, salted water. Boil 20 to 30 minutes, stirring occasionally with a fork. When done, evaporate the water by leaving it partly covered on a low fire. Add the tomatoes and pepper and boil. Pour into vegetable dish and grate the cheese over the top.

## SUNDAY DINNER SUGGESTIONS

By ANN PAGE

SINCE this is the season when people buy the largest quantity of fresh fruits and vegetables, it is for this reason that the market is so well supplied. Among the fruits apples, bananas, oranges, grapes, pears, and strawberries are all plentiful and reasonable. The vegetable selection is even greater with green peas and beans, spinach, Brussels sprouts, broccoli, cabbage, new carrots, cauliflower, rutabagas, white and sweet potatoes all plentiful and reasonable in price. Mushrooms, celery and lettuce are all of good quality and inexpensive.

Tomatoes are scarce and high so that it is a good time to serve tomato aspic, jellied vegetable or fruit salad in their place. Lemon, lime or orange prepared gelatin makes a good base for such salads.

The Quaker Maid suggests the following menu, which will remind you that this is National Cheese Week.

### Low Cost Dinner

Braised Chuck of Beef with Vegetables  
Coke Slaw  
Bread and Butter  
Raspberry Whip  
Tea or Coffee Milk

### Medium Cost Dinner

Roast Beef, Browned Potatoes  
Broccoli with Cheese Sauce  
Bread and Butter  
Coffee Bavarian  
Coffee Milk

### Very Special Dinner

Tomato Juice Cocktail with Cheese Canapes  
Roast Lamb, Baked Potatoes  
Crisp Carrots  
Perfect Salad with Dressing  
Rolls and Butter  
Floating Island  
Coffee Milk

### Apricot Whip

1 cup dried apricots  
1/2 cup sugar  
1 tablespoon lemon juice  
2 egg whites  
Wash apricots and soak over night.

Cook until tender with sugar. Press through a sieve. Add lemon juice. Cool. Whip whites until stiff and fold in fruit. Chill all thoroughly. Serve with the following custard sauce:

2 eggs  
2 tablespoons sugar  
1 cup milk  
Beat the yolks and add the sugar and milk. Cook in double boiler or over low heat until mixture coats spoon. Chill.

## OUR CHILD AND THE SCHOOL

By Dr. ALLEN G. IRELAND  
Director, Physical and Health Education,  
New Jersey State Department of Public Instruction

### Beware of Malnutrition

If you suspect that your child is undernourished, find out for sure. Don't guess. And don't be satisfied with your own diagnosis. Take him to a physician. I can't emphasize that too much, for it is a condition often accompanied by lowered resistance to disease. Moreover, it is a condition that requires certain techniques and abilities which only a physician has.

Malnutrition and underfeeding are not the same, although underfeeding is sometimes a cause. There are children who have enough to eat, but who are striking examples of malnutrition. The explanation is simple—they don't have the right things to eat. Their stomachs may be filled and appetite satisfied, but the foods needed by the body for growth are not applied.

Studies of school children in different parts of the country show that malnutrition exists to the extent of ten to twenty per cent of enrollment. With the knowledge of food and of body needs which we have today, malnutrition is an evidence of our neglect to apply what we know. It shouldn't be so, and gradually we are coming to realize what an important part correct feeding plays in growth, health, and happiness.

Dr. Ireland will write next week about the undernourished child.

### Fish Respond to Colors

Color plays a part in the lives of reptiles and fish. Lizards prefer yellow fondlebugs and are attracted by yellow flowers. White fish are more readily caught when baits of certain colors are used.

### Bird's Vocabulary

A talking love bird, exhibited at the Crystal Palace (London) show of cage birds, could recite two poems and say twelve sentences.

## How to Eat for Health and Beauty

Two pippins! One of them is an apple. The other is Dorothy Jordan, RKO Radio Pictures star soon to appear in "Three Came Unarmed."

THIS cinema star has made a good start toward a complete "beauty menu." She would have all the essentials if she finished off her lunch with a glass of milk and a fresh vegetable, for these three—fresh milk, fruits and vegetables—are the bulwarks of any healthful diet, and are especially needed in a beauty diet because they have the minerals, proteins and vitamins essential in producing natural beauty. The menu printed below is built around these foods.

### TODAY'S MENU

**Breakfast**  
Berries ..... 1/2 cup  
Cream ..... 1/4 cup  
Waffles ..... 1

## If Lightning Should Strike, Cows Would Make Money

### Average Milk Production Is Profit-Deciding Factor.

Low producing cows take away the earnings of the good ones. So important is this in these days of low milk prices and an impending feed shortage that the research men of Purina Mills' Farm at Gray Summit, Mo., sound a warning to dairymen to cull their herds more closely.

"For many dairymen it would be almost good fortune if lightning should strike the loss-producing 25 per cent

Courtesy—Purina Mills

of the herd," says E. B. Powell, who is in charge of the Purina Experimental Farm. "It is a simple problem in arithmetic to demonstrate why such misfortune would be good fortune. Each cow must produce a definite amount of milk to pay her keep. This figure has been advancing in late years because of the reduced price per 100 pounds paid by city milk distributors and the lower butterfat prices paid by creameries.

"Now, if a cow produces 500 pounds above her keep, that is her total profit. If she produces 1,500 pounds above the keep, she is doing three times as well. Therefore, a cow producing 1,500

pounds of milk a year above her keep really is worth three cows producing 500 pounds of milk each per year above their keep.

"The figures become even more impressive when you consider the money losses in the herd. If the minimum upkeep figure is 4,000 pounds of milk a year and the total production of a cow is only 4,000 pounds, she is loser by 2,000 pounds. Such a cow completely cancels the profits of both the 6,000 pound and 7,500 pound cows. Here's where lightning could work to advantage. Lightning striking the 4,000 pound cow would make it possible for the dairymen to realize a profit on the other two cows."

Much of the trouble of overproduction of milk and dairy products hinges on the one point of discontinuing unprofitable animals in production. While none of the owners of such animals are gaining in cash income (most of them really lose money) the total milk supply is greatly increased by the addition of the milk from unprofitable animals.

Just as in a herd the unprofitable producer cancels the profits of the profit-making cows, so also does the dairymen who is a money loser help destroy the profits of the money-making dairymen. He does this unintentionally, of course. But, in effect, his failure to eliminate the non-profit producing cow brings about the surplus of dairy products which destroys the market for his neighbor and for himself. So, not only to one another, but also to themselves do dairymen—unintentionally—do harm when they fail to cull their herds on the basis of profit and loss statements for each cow.

To help the dairy farmer in determining which of his cows are money makers and which are money losers, the Dairy Department of Purina Mills has prepared special blanks and directions. They are available in nearly every community at the store or elevator which handles checkerboard feeds.

### Alden the Last Survivor

Juan Alden was the youngest signer of the Mayflower compact and the last survivor of those who came to this country in that famous boat.

### Payment Reduces Fees

Incidentally, critics of the high fees charged by doctors may help to reduce them if they pay for medical services promptly.—Lowell Evening Leader.

## Be Slim and Healthy on "Protective Food" Diet

Dorothy Jordan and Joel McCrea take an afternoon off at Malibu Beach for a bit of exercising.

CURVES in a Mae West may be in fashion, but overweight never is—and we'll hope it never will be, for overweight, besides being an enemy of beauty, is also an enemy of health in people over thirty. The danger line is a point ten per cent over the ideal weight. The overweight person is more susceptible to many diseases. So to you women whose friends ridicule you for vanity in striving to reduce, let this health angle be an added spur to you to keep on with your program.

Of course the only real solution to the weight-control problem is diet, but "laxative" dieting may be as dangerous as the overweight itself. Cut down on the amounts of foods, not the kinds. It is just as necessary that you have a balanced diet when you are reducing as at any other time. Build your reducing diets around an abundance of the protective foods—fresh milk, fruits, vegetables and eggs for they give the bulk that satisfies and yet are low in calories.

With these foods heading the menu, reducing need not be an ordeal, nor an expensive, difficult process, for these foods are economical ones and they are conveniently deposited at your door every day, rain or shine, by your milkman and grocer.

### Vitamins, Minerals and Proteins in Star's Reducing Diet.

A 1400-calorie diet that supplies the essential vitamins, minerals and proteins to maintain good health usually results in a safe reduction of 1/2 pound per day.

#### Breakfast—443 Calories.

1/2 grapefruit ..... 100  
2 slices bacon ..... 50  
Slice whole wheat toast ..... 50  
1 teaspoon butter ..... 33  
Coffee ..... 60  
Milk for coffee ..... 25  
1 teaspoon sugar for coffee ..... 25  
1 glass milk ..... 135

#### Luncheon—285 Calories.

Clear soup ..... 25  
Water cress salad (salt and lemon) 25  
3 crackers ..... 100  
1 glass milk ..... 135

#### Dinner—535 Calories.

1 slice roast beef ..... 100  
Small baked potato ..... 100  
1/2 cup cauliflower ..... 25  
1/2 tablespoon butter for vegetables 50  
1/2 baked apple ..... 75  
1/2 tablespoon sugar ..... 50  
1 glass milk ..... 135

Between Meals or at Bedtime.  
1 glass milk ..... 135

Be sure to see our wide selection of other indirect floor lamps at interesting prices.

• Handsome bronze finished base in attractive 3-candle style. Shades come in several styles, either pleated or stretched. Choice of popular pastel colors. Now at your Public Service Store.

### LIVING AND ELECTRICITY

Living costs are again on the rise. But the price of electricity, so important to your household, is unchanged. It is still the most reasonable item on your general home budget.

From 1913 to 1928 the cost of living went up. Clothes, food, furniture, rent and amusements increased in some cases to double the former figure. While this was happening, the price of electric service was reduced as engineers found more efficient and more economical ways of making and distributing power.

In good times or bad, over a long period of years, the trend of electric rates has always been downward.

# J. F. FULKERSON TO SPEAK AT FARM BUREAU ANNUAL MEET

The Annual Meeting of the Lake County Farm Bureau will be held January 30, at 10:30 A. M. at the St. Gilbert's church hall Grays Lake, Ill., with J. F. Fulkerson as the featured speaker.

Mr. Fulkerson is Chairman of the State Corn-Hog committee and member of the Board of Directors of the National Livestock Producers, which is formed by producers in over 13 livestock markets in the United States.

Special entertainment will be furnished throughout the program by some of Lake County's best home talent.

Reports will be given by L. A. Hushach, treasurer; Earl Kane, Chairman of Boys' + H. Club Work; Harry Matthews, Baseball Director; Robert Howard, on Hord Improvement work; A. D. Smith, manager of the Lake-Cook Farm Supply Company; Bertram Abney, Insurance Director and H. C. Glickerson, Farm Adviser; also election of officers and directors for the coming year.

Interesting exhibits will be shown by the various farm organizations. Forty cent lunch will be served by the Lake County Home Bureau at noon. Everyone is invited to attend.

## Camera Will Depict Progress of CWA Workers

Pictures showing the "before and after" aspect of Civil Works projects are being made throughout the country to depict just what progress and transformations are being wrought and what Mr. Average Citizen is getting in return for the vast amount of money being spent by the CWA. This was learned here Tuesday when a camera man in the employ of the CWA photographed the various projects in this locality.

"We have plenty of pictures of roads and road improvement, but what we seek to record are the unusual projects," the camera man said. At the Antioch high school the photographer took pictures of the athletic field and the landscaping work being done by CWA workers.

Although not interested in projects of the Public Works Administration, the cameraman took a few "shots" of Antioch's leaning water tower. These will be given to the PWA for comparison with the new tower when it is completed.

## How to Eat for Health and Beauty

Dolores Del Rio wears that curve-revealing fabric-satin (which by the way is "in" again)—without any fear of bulges, for her figure is always sleek and graceful.

NEWS for plump people—those extra pounds may really be a blessing in disguise if they tend you to follow the reducing diets outlined in this column, because these diets are so abundant in minerals, vitamins and the best forms of protein, that if you use them faithfully for a period, you should find yourselves not only slimmer as to figure, but a more attractive looking person generally, with improved complexion and hair.

**A 1,400 CALORIE REDUCING DIET**  
Breakfast (350 Calories) Calories

## Are Modern Women Prettier? Cedar Lake Fire---

Beautiful Katherine Hepburn of "Little Women" fame is an IKKO Hadio Picture star. Shown here with Robert Young.

IF Ninon de l'Enclos, Cleopatra or one of the other famous beauties of history were to enter a beauty contest today, would they stand a chance of winning? It is doubtful if they would in this day when the general average of good looks is so much higher than it ever has been before.

The day is past when only the queens and ladies of the court knew how—or had the money—to be beautiful. Today almost every woman knows how to make herself attractive and the means for doing so are available to her at low cost. Nowadays that old phrase, "Handsome is as handsome does" is being proved true in more than one sense. In almost every case, a woman's beauty is largely determined by what she does to make herself beautiful.

We are so accustomed to the miraculous aids that modern beauty science has put at our disposal, that, like many of the other miracles of this age, we take them very much for granted. The recent Century of Progress, showing what great strides have been made even in the last hundred years, helped a little to jog us into appreciating our blessings.

In the good old days women must have been beautiful in spite of what the beauty doctors prescribed, for some of their beauty preparations were pitifully ridiculous.

Of course we in 1934 are still some times guilty of allowing an attractive label or bottle to lure us into using some cream or lotion whose only value lies in the faith which we ourselves put in it. But there are certain fundamental principles upon which modern beauty is built which are sound and truly almost miracle-working.

### Two Wonder-Working Discoveries.

Perhaps the two modern discoveries that have done most to further the cause of womanly beauty are the permanent wave and the new knowledge of how diet affects beauty. For more than 1034 years women have been busily applying creams, cosmetics and what not to the outside of their bodies. Now at last they have learned that outside treatments will be of little avail without a healthy foundation developed by inside treatments in the form of proper diet rich to the four foods—fresh milk, fruits, vegetables and eggs. It was the discovery of the precious vitamins in these foods that led to the appreciation of their function in producing beauty, but they have other qualities too which are important.

And the permanent wave of course has made it possible for the straggled sisters to enter the competition of living without a handicap, on an equal footing with the curly-haired girls.

## Are Modern Women Prettier? Cedar Lake Fire---

(continued from page one)  
sponded to two calls Sunday afternoon to prevent a grass fire near Lake Mario from damaging buildings. The first call was received about 4:10, when a poultry house on the old Durka farm caught ablaze from the grass fire. The building was saved upon the arrival of the fire department, with scarcely any damage done.

A later call about 5:30 came from Kopecky's Subdivision, where some of the residents were becoming alarmed because of the approaching flames from the same grass fire, which had spread rapidly. None of the cottages were found by the fire department to be in danger.
